2022 Fiscal Year-End Closing Schedule

SUMMARY:
This document contains deadlines and other information applicable to the closing of the University’s accounting records for the fiscal year ending June 30, 2022. It is important to adhere to these deadlines as they are designed to ensure that year-end accounting reports are accurate and timely.

The Ellucian Banner System recognizes two June closings. The first June closing is termed “period 12.” That period will be closed on June 30, 2022. Preliminary month-end reports can be run on July 1, 2022; however, these reports will not include the final FY 2022 payroll charges or other expenses that are in process. The second June closing is termed “period 14.” This final close is tentatively set for Friday, July 15, 2022. Notice will be sent when final June 30, 2022 statements can be run.

If you have any questions concerning these deadlines, please contact Financial Services and Operations at 487-1931.
