- 1) I was a resident of United Kingdom on the date of my arrival in the United States. I am not a U.S. citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

 - 2) I am a professor or teacher visiting the United States for a period of not more than two years for the purpose of teaching or engaging in research at Michigan Technological University, which is a recognized educational institution. I will receive compensation for my teaching or research activities.

 - 3) The teaching or research compensation received during the entire year or during the portion of the year from _____ to _____ for these activities qualifies for exemption from withholding of federal tax under the tax treaty between the United States and United Kingdom. I have not previously claimed an income tax exemption under this treaty for income received as a teacher, researcher, or student before the date of my arrival in the United States.

 - 4) Any research I perform will be undertaken in the public interest and not primarily for the private benefit of a specific person or persons.

 - 5) I arrived in The United States on _____ (insert the date of your last arrival in the United States before beginning your teaching, or research services for which the exemption is claimed).
