SECTION II: GENERAL TERMS AND CONDITIONS

A. LIMITATIONS: Use of the rates set forth under Section I is subject to availability of funds and to any other statutory or administrative limitations. The rates are applicable to a given grant, contract or other agreement only to the extent that funds are available and consistent with any and all limitations of cost clauses or provisions, if any, contained therein. Acceptance of any or all of the rates agreed to herein is predicated upon the following conditions: (1) that no costs other than those incurred by the institution were included in this indirect cost pool as finally accepted and that such costs are legal obligations of the institution and allowable under governing cost principles; (2) that the same costs that have been treated as indirect costs are not claimed as direct costs; (3) that similar types of costs have been accorded consistent accounting treatment; and (4) that the
information provided by the institution which was used as a basis for acceptance of the rates agreed
to herein, and expressly relied upon by the Government in negotiating and accepting the said rates
is not subsequently found to be materially incomplete or inaccurate.

B. ACCOUNTING CHANGES: The rates contained in Section I of this agreement are based on
the accounting system in effect at the time this agreement was negotiated. Changes to the method(s)
of accounting for costs, which affect the amount of reimbursement resulting from the use of these
rates, require prior written approval of the authorized representative of the cognizant agency for
indirect costs. Such changes include but are not limited to changes in the charging of a particular
type of cost from indirect to direct. Failure to obtain such approval may result in subsequent cost
disallowances.

C. PREDETERMINED RATES: The predetermined rates contained in this agreement are not
subject to adjustment in accordance with the provisions of 2 CFR Part 200, subject to the limitations
contained in Part A of this section.

D. USE BY OTHER FEDERAL AGENCIES: The rates set forth in Section I were negotiated
in accordance with and under the authority set forth in 2 CFR Part 200. Accordingly, such rates
shall be applied to the extent provided in such regulations to grants, contracts, and other agreements
to which 2 CFR Part 200 applies, subject to any limitations in part A of this section. Copies of this
document may be provided by either party to other federal agencies to provide such agencies with
documentary notice of this agreement and its terms and conditions.

E. SPECIAL REMARKS: The Summer Faculty fringe rate is applicable to regular faculty
members with summer appointments and to awarding-agency-approved intra-university consulting
labor.
