(Minimum of 133 Credits)

Geological Engineering Electives

Nine credits of Geological Engineering Electives are required. Prerequisites not normally required must be satisfied by free electives or other courses not specifically listed. With approval of Geological Engineering ABET Coordinator, Geo Eng electives may be substituted with Independent Geological Engineering Research and/or Cooperative Lab.

Enterprise Concentration (12 Credits)

With permission of Geological Engineering ABET Coordinator, enterprise may substitute 6 credits of interdisciplinary project for GE 4900 and GE 4910; 3 credits of required communication, teaming or business must be double counted as Distribution (HASS) credits; and 3 credits of enterprise instructional modules must be substituted for free electives.

Enterprise Minor: Follow concentration, plus take 6 additional credits beyond required degree as per minor requirements.

Second Degree Policy: Candidates for a second degree must meet all the coursework requirements for the major in the second degree with a minimum of 25% of the credit hours required for the degree, beyond the primary degree.

General Education Requirements

(<http://www.mtu.edu/registrar/pdfs/core-and-hass-list-17-18-v2.pdf>)

I. Core Courses (6 Credits)

___ UN 1015 ___ UN 1025*

* Or one semester of a 3000 level or higher modern language.

II. Sophomore Core Courses (6 Credits)

Creative and Critical Thinking (HU/FA) _____

Social Responsibility and Ethical Reasoning (SS) _____

III. Hass Course Requirements (12 Credits)

(<http://www.mtu.edu/registrar/pdfs/core-and-hass-list-17-18-v2.pdf>)

- 6 credits 3000- or 4000- level

- 3 credits required from each of these 3 lists:

Communication and Composition, Humanities and Fine Arts (HU/FA), and Social and Behavioral Sciences (EC/PSY/SS)

- No more than 3 credits on the Restricted HASS List

A. 6 credits 3000- or 4000- level:

1. _____ 2. _____

B. 6 credits at any level:

1. _____ 2. _____

IV. Co-curricular activities (3 units)

The co-curricular requirement consists of three semester units of physical education activities. These units are required for graduation, but are not included in the overall degree-credit requirement.

Note: Most physical education activities will last for 7 ½ weeks or ½ semester. A student would need **six** of these ½-semester units to fulfill the 3-semester unit co-curricular requirement.
