

Verification of Final Degree Requirements

This form is required for all coursework degrees. Due before the end of final exam week of the final semester. Obtain signatures from graduate program, then upload signed form to [Graduate Candidates course in Canvas](#) (preferred) or email to gradschool@mtu.edu. See your [Degree Completion Timeline](#) on MyMichiganTech for a complete list of items needed for your degree.

Student Information

Name M Number (ex: M12345678)

Degree Program Expected Graduation Term

Select Degree Option Coursework (all programs) Practicum (Master of Engineering only)

Advisor Name(s)

Practicum for Master of Engineering

For Master of Engineering students who completed a practicum, please provide the following information.

Practicum Title (230 character limit)

Practicum Date

Graduate Program Approval Signatures (print name after signature; all advisors must sign)

The signatures below verify that the student in the program named above has completed the course work initially reported on the student's degree schedule and has successfully completed all other program requirements.

The degree will not be awarded until the Graduate School verifies that the student has fulfilled all degree requirements and submitted all required paperwork.
