BID OPPORTUNITY COMING FALL 2021

Trade Contractor Outreach Meeting - July 12 at 10:30 a.m.

Please join representatives from Michigan Tech University and Granger Construction for an informational meeting on July 12, 2021. An overview of the upcoming H-STEM project will be provided with discussion on the project goals, schedule and upcoming trade bidding opportunities. This is not a pre-bid meeting but is intended to provide advance information on bid opportunities coming later this fall, generate discussion with local trades and the project team and address any questions on the project.

MILESTONE SCHEDULE

Late October 2021	Issue for Bid
December 2021	Trade Partner Awards
Winter 2022	Planning, Procurement, BIM
May 2022	Commence Construction
Fall 2023	Construction Complete

This meeting will be in-person with virtual attendance also available. Please RSVP to Sarah Henderson at shenderson@grangerconstruction.com
