

## Health Research Institute Travel Grants

Health Research Institute (HRI) Travel Grants were created to assist with the cost of travel to scientific meetings to present research related to the interests of the HRI.

Grants are limited to one per student per academic year. The travel awards are merit based and are up to \$250. Evaluation criteria include student status, type of presentation (poster or podium), meeting characteristics, and PI/student involvement in HRI activities. **Applications must be complete to be considered.** Please include the following in your application package:

- A completed application form
- Title and abstract of the accepted presentation
- Proof of acceptance
- A paragraph detailing how presenting will help you achieve your career and academic goals.
