Global Entrepreneur in Residence Intake Form

Please complete this form and submit with a PowerPoint or PDF pitch deck for your company to jrbaker@mtu.edu

BACKGROUND

The Global Entrepreneur In Residence program at Michigan Technological University is made possible through a partnership with Global Detroit and with funding from the State of Michigan. The program provides a pathway for foreign-born entrepreneurs to launch their companies here in the United States by placing them within universities in part-time paid positions (5-15 hours per week). The positions within the university provide support for entrepreneurial ecosystem development and technology commercialization activities while the GEIR also works on their startups with their remaining time.

Global EIR supports entrepreneurs who have a bachelors’ degree or higher and want to build and grow their business in the State of Michigan and international students who are interested in pursuing an entrepreneurial venture post-graduation.

The Michigan Tech program is located in Houghton Michigan however candidates can work remotely anywhere within the State of Michigan depending on individual personal circumstances or network/ecosystem needs for the startup. Part time positions for Global EIR program participants within the Office of Innovation and Commercialization at Michigan Tech in partnership with Husky Innovate on campus and MTEC SmartZone within the local community enable the program participants to support entrepreneurship and commercialization initiatives while also developing their own businesses through leveraging some of the same programming and network connections.

Applicants are selected using a panel of external and internal reviewers who assess the impact of the GEIR program in supporting the establishment and growth of the applicant company within the State of Michigan and the prospective impact of impact of the GEIR entrepreneur applicant on the startup ecosystem at Michigan Tech and throughout the State of Michigan.

APPLICATION

Founder Information

Name:

Email address:

Country of Citizenship:

Where do you currently reside? (city/state/country):

LinkedIn profile:

Please indicate your highest level of education attained, including degree, major, and name of institution (college/university) is your degree(s) is/are from?
What is your current visa status? (ex: F1 student visa, H1B, OPT/CPT, etc.)
