## AGREEMENT

This Agreement is made and entered into this **1st day of January 2020**, between Michigan Technological University (hereinafter referred to as the "Employer" or the "University") and Local No. 1166 and Council No. 25 of the American Federation of State, County and Municipal Employees, AFLCIO (hereinafter referred to as the "Union"; **Effective January 1, 2020, each bargaining unit employee will receive a thirty cent (\$0.30) per hour wage increase on their current wage rate.**

### PURPOSE AND INTENT OF THIS AGREEMENT

- A. The purpose of the University and the Union in entering into this labor Agreement is to set forth their agreement on rates of pay, hours of work, and other conditions of employment so as to promote orderly and peaceful relations for the mutual interest of the Employer, the employees, and the Union.
- B. Officials respectively representing the University and the Union will, from time to time during the life of this Agreement, at the request of either and the mutual convenience of both, meet to appraise their administration of this Agreement, to analyze influences which may be impairing the attainment of their joint goal and to improve understanding between their respective representatives and among employees. Such meetings shall not be for the purpose of conducting collective bargaining negotiations, nor in any way to modify, add to, or detract from the provisions of this Agreement.

### Section 1 RECOGNITION

The Employer recognizes the Union as the sole and exclusive representative for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment, and other terms and conditions of employment of all those employees of the Employer included in the bargaining unit as found appropriate in Case No. R65-I-96 (full-time employees) and in Case No. R91-E-118 (part-time employees), excluding executive, administrative, professional, academic, and supervisory personnel; student employees; temporary employees; and those employees in other recognized bargaining units.

### Section 2 DEFINITION OF EMPLOYEES

- A. Unless clearly indicated otherwise, the term "employee" as used in the Agreement shall mean either a full-time employee or a part-time employee who is a member of the bargaining unit and is represented by the Union.
- B. The term "full-time employee" as used in this Agreement shall mean an employee who is assigned to an Appendix classification and is scheduled to work forty (40) hours per week, which can be a 9, 10, or 12 month position.
- C. The term "part-time employee" as used in this Agreement shall mean an employee who is assigned to an Appendix classification and is scheduled to perform actual work for less than forty (40) hours per week, which can be a 9, 10, or 12 month position. However, a part-time employee may be scheduled by the Employer to work up to forty (40) hours weekly to replace full-time employees who are unavailable due to approved absence. Employer will inform the Union prior to hiring additional part-time employees and state the reason for their employment.
- D. A part-time, no base employee shall be a person hired for the purpose of covering shifts due to scheduled and unscheduled shift vacancies.

- E. Employer will notify the Local Union 1166 of all newly-hired employees as defined in the preceding Paragraphs of this Section 2.
- F. The Union recognizes that in keeping with its responsibilities as an educational institution, Michigan Technological University is committed to a policy of affording equal opportunity to all of its employees, students, applicants for employment, and applicants for admission without regard to race, religion, color, national origin, age, sex, height, weight, sexual orientation, genetic information, gender identity, or marital status. The University is also committed to a policy of educating and employing disabled individuals and veterans without discrimination. These policies are to be implemented with due regard for the relative qualifications of all involved.
- G. It is recognized by the Union that it is the policy of the University to provide jobs for students to assist them in obtaining an education. The University will not increase student work hours to deprive bargaining unit employees on the University payroll of their regularly scheduled work.

### **Section 3**

#### **MANAGEMENT RIGHTS**

All management rights and functions, except those which are clearly and expressly abridged by this Agreement, shall remain vested exclusively in the Employer. Such rights and functions include, but are not limited to, (1) full and exclusive control of the management of the University, the supervision of all operations, the methods, processes, means, and personnel by which any and all work will be performed, the control of the property and the composition, assignment, direction, and determination of the size and type of its working forces; (2) the rights to change or introduce new and improved operations, methods, processes, means, or facilities, and the right to determine whether and to what extent work shall be performed by employees; (3) the right to determine the work to be done and the standards to be met by employees covered by this Agreement; (4) the right to hire, establish, and change work schedules, set hours of work, establish classifications, promote, demote, transfer, release, and lay off employees; and (5) the right to determine the qualifications of employees, and to suspend, discipline, and discharge employees for cause, and otherwise to maintain an orderly, effective, and efficient operation.

### **Section 4**

#### **AID TO UNIONS**

- A. The Employer will not aid, promote or finance any labor group or labor organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Union.
- B. It is agreed that neither the Union, its officials, its employees, its affiliates, nor its members shall discriminate against, intimidate, coerce, or interfere with any employee of the Employer, whether represented by the Union or not, with respect to their work or with respect to union activities or membership or the right to refrain from engaging in any union activities or membership, and further that there shall be no solicitation of non-bargaining unit employees for union membership or dues on Employer's time.
- C. The Employer shall not discriminate against, restrain, or coerce any employee with respect to or because of their membership or lawful union activity, nor shall the Employer initiate, create, dominate, contribute to, or interfere with the formation or administration of any labor organization.

**Section 5**  
**UNION MEMBERSHIP**

An employee who is a member of AFSCME Local 1166 at the time this Agreement becomes effective shall continue to be eligible for membership in AFSCME Local 1166 for the duration of this Agreement. An employee who is not a member of the AFSCME Local 1166 at the time this Agreement becomes effective may become a member of AFSCME Local 1166 at any time after employment commences and may remain a member of the AFSCME local 1166. Each Bargaining Unit employee who continues to be or becomes a member of AFSCME Local 1166 on or before the 30th day after the effective date of this Agreement on or before the 30th day after employment in the Bargaining Unit, whichever is later, and monthly thereafter, shall tender to the Union either periodic and uniformly required union dues.

**Section 6**  
**CHECKOFF OF UNION DUES**

- A. During the life of this Agreement and to the extent the laws of the State of Michigan permit and as provided in this Section, the Employer will honor voluntary dues or voluntary service charge deduction authorizations submitted in writing by an employee to the Employer on a form provided for this purpose by the Union or the Employer. Such deduction will be made as follows, provided it has been submitted thirty (30) calendar days prior to the end of the month.
- B. The Employer agrees to deduct each month the union dues levied in accordance with the constitution and bylaws of the Union as certified by the financial officer of Council 25, or to deduct a voluntary service charge equal to such dues. The total amount of dues and/or voluntary service charge deductions shall be sent to Secretary-Treasurer, Council 25, AFSCME, AFL-CIO, 1034 N. Washington, Lansing, Michigan, 48906, as soon as practicable after the deductions are made together with a list of names of the employees for whom the deductions are made.
- C. The Union will provide the Employer any additional authorization for check-off of dues forms under which union membership dues are to be deducted.
- D. The local Union president will be notified by the Employer of the names of employees terminating check-off following the end of each month in which the termination took place.
- E. An employee may revoke their dues deduction authorization from the Employer with written notice sent by certified mail to the Employer and the Union. If the employee revokes their authorization to deduct their dues in writing to both parties, they shall send the Union's notification to the Secretary-Treasurer, Council 25 AFSCME, AFL-CIO, 1034 N. Washington Avenue, Lansing, Michigan 48906, and to the Employer at Human Resources, 1400 Townsend Drive, Houghton, MI 49931.
- F. In cases where a deduction is made that duplicates a payment that an employee already has made to the Union, or where a deduction is not in conformity with the provisions of the Union constitution and by-laws, refunds to the employee will be made by the Local Union.
- G. The Employer shall not be liable to the Union by reason of the requirements of this Agreement for the remittance or payment of any sum other than that constituting actual deductions made from wages earned by the employee. In addition, the Union shall indemnify and save the Employer harmless from any liability resulting from any and all claims, demands, suits, or any other actions arising from compliance with this Section and/or Section 5, Union Membership, or reliance on any list, notice, certification, or authorization furnished under this Section and/or Section 5, Union Membership.

**Section 7**  
**REPRESENTATION**

- A. The number and composition of Steward representation districts shall be mutually agreed by the Employer and the Union. The Employer and the Union may redistrict the bargaining unit from time to time by mutual agreement.
- B. In each representation district, employees in the district shall be represented by one Steward who shall be a regular employee working in the district.
- C. The Stewards, during their working hours, without loss of time or pay, in their own district and in accordance with the terms of this Section, if an aggrieved employee requests the assistance of a Steward for an orderly grievance hearing for a written Second Step grievance, upon request will be permitted reasonable time to leave their work station and to discuss the grievance with the aggrieved employee at the aggrieved employee's place of work. The Supervisor shall grant permission as the Steward's job duties permit, and such permission shall not be unreasonably withheld. The privilege of Stewards leaving their work during working hours without loss of time or pay is subject to the understanding that the time will be devoted to the proper handling of grievances only and will not be abused. Stewards will perform their assigned work at all times, except when given permission to leave their work to handle grievances as provided herein. All other union business will be handled outside of scheduled working hours. In the absence of the Steward, the Chief Steward may function as the Steward. In the absence of both the Steward and Chief Steward, the Union President may function as the Steward. Any alleged abuse by either party will be a proper subject for a special conference.
- D. There shall be two Chief Stewards, one with representation authority within Facilities Management, Academic and Research Departments, and the other with representation authority in all other districts. The Chief Stewards, during their working hours without loss of time or pay and in accordance with the terms of this Section, if an aggrieved employee requests the assistance of the Chief Steward for an orderly grievance hearing for a written Third Step grievance, will be permitted reasonable time to leave their work station and to discuss the grievance at the aggrieved employee's place of work and to assist in the presentation of the Third Step grievance. The Chief Steward shall also function in the absence of a Steward. Furthermore, should situations arise which may not necessarily be subject to the grievance procedure and which cannot be handled outside of scheduled working hours, the Chief Steward shall be released to discuss such situations with employees, District Stewards, and management representatives. Upon being notified of a grievance hearing or investigation, the Supervisor shall grant permission and provide necessary time to the Chief Steward to leave their work for these purposes as the Chief Steward's job duties permit, and such permission shall not be unreasonably withheld. The privilege of the Chief Steward leaving their work during working hours without loss of pay is subject to the understanding that the time will be limited to the purposes herein, and will not be abused. The Chief Steward will perform their work at all times unless released for the purposes provided herein. Any alleged abuse by either party will be a proper subject for a special conference.
- E. A Steward or Chief Steward, upon entering the area of a Supervisor other than their own, will notify that Supervisor of their presence and the purpose for being in that area, and they will notify their own Supervisor upon returning to their job as soon as practicable.
- F. The Union will furnish the Human Resources Department with the names of its Officers, Chief Stewards, Stewards and Members of its grievance committees, and such changes as may occur from time to time in such personnel, so that the Employer may at all times be advised as to the authority of the individual representatives of the Union with whom it may be dealing. The Employer will, in return, through the Human Resources Department, keep the Union advised as to its immediate Supervisors and Department Heads or their respective designated representatives for the purpose of processing grievances.

- G. Employees and Stewards required by the Employer to remain after their working hours to meet with representatives of the Employer to adjudicate grievances or disputes will be paid for such time.
- H. There may be a Steward and alternate for each of the following districts:
1. SDC/Daniell Heights, KRC, ATDC, Mineral Museum, Lakeshore, Ski Hill & Golf Course
  2. McNair Hall, Hillside
  3. DHH
  4. Wads Hall Kitchen
  5. Wads Hall Maintenance/Custodial
  6. Administration Building, ROTC, Academic Office Building, Library, Chemical Sciences and Engineering, ME-EM, EERC
  7. Dow, Walker, M & M, Civil, Fisher, Forestry, Rehki
  8. Memorial Union Building
  9. Facilities Management Building, Central Heating Plant, GLRC
- I. The Union shall be given the opportunity within the first thirty (30) days after the probation period of a new hire covered by this agreement, to meet with the new employee. The President, or their designee shall conduct this meeting. The meeting shall not take more than thirty (30) minutes in length. Release time totaling thirty (30) minutes for each employee will be granted, and is to include travel time to and from the meeting, if the meeting is conducted during scheduled work hours.

## **Section 8**

### **GRIEVANCE PROCEDURE**

A grievance under this Agreement is a dispute, claim or complaint arising under and during the term of this Agreement, and is limited to matters of interpretation or application of express provisions of the Agreement. The following shall be the grievance procedure:

#### **Step 1:**

- A. Not later than ten (10) working days after occurrence, an employee shall inform their immediate Supervisor they have a grievance concerning their employment. The Supervisor shall meet with the employee within the next three (3) working days for a discussion of the grievance in an attempt to resolve the matter. If the aggrieved employee wishes, the aggrieved employee may have their Steward assist them in their oral presentation. The Supervisor will provide a response within three (3) working days after oral presentation to the aggrieved.

#### **Step 2:**

- A. If the aggrieved employee does not receive a satisfactory answer from their Supervisor, they may submit the grievance in written form to their Supervisor or designee, for a written decision, provided the submission is made within the five (5) working days following an unsatisfactory answer. If the aggrieved employee wishes, they may have their Steward assist them in the written presentation. The written grievance must specify 1) the Section and Paragraph of the Agreement allegedly violated, 2) date of occurrence of each alleged violation, 3) manner of alleged violation, and 4) the adjustment requested.
- B. Upon receipt of the written grievance, the Supervisor or designee, shall set a place and time within seven (7) working days for a grievance hearing. If the aggrieved employee wishes, they may have their Steward assist them at the grievance hearing. Whether or not their Steward assists at the grievance hearing, the Steward and the appropriate Chief Steward shall each receive a copy of the written decision. The Supervisor or designee must provide the written response within five (5) working days after the Step 2 grievance hearing.

### **Step 3**

- A. If the aggrieved employee does not receive a satisfactory written answer, the written grievance may be submitted to the University Labor designee to form a three-person Review Committee, provided the aggrieved employee's submission to the University Labor designee is made within ten (10) working days following an unsatisfactory answer.
- B. Upon receipt of the written grievance, the University Labor designee and the Union shall set a mutually agreeable time and place within ten (10) working days for a discussion of the grievance with the intent of both parties to resolve the issue. The Union may have the Local President or Chief Steward and not more than two (2) employees or non-employees at the grievance hearing. Whether or not the Chief Steward assists in the preparation of the grievance, the Local President and Chief Steward shall receive a copy of the written decision.
- C. The University Labor designee shall inform the Union in writing within fifteen (15) working days of the decision. If the decision is not satisfactory to the Union, and if the grievance is arbitral under Section 9 of this Agreement, it may be referred to arbitration.

### **General**

- A. All foregoing Steps of the grievance procedure shall take place during working hours and shall be without loss of time or straight-time pay to any bargaining unit employee whose attendance is authorized hereunder.
- B. Grievances shall be processed from one Step to the next within the time limit prescribed in each of the Steps. Any grievance upon which a disposition is not made by the Employer within the time limit prescribed, or any extension which may be agreed to, may be referred to the next Step in the grievance procedure, the time limit to do so to run from the date when time for disposition expired. Any grievance not carried to the next Step by the Union within the prescribed time limits or such extensions which may be agreed to, shall be considered withdrawn without precedence.
- C. The immediate Supervisor, the University Labor designee, or the Review Committee may, if considered advisable, have additional personnel present for the aggrieved employee's oral presentation.
- D. It shall be deemed to satisfy the statutory requirement of Section II of Act 379 of the Public Acts of 1965 that the Union be given the "opportunity to be present at such adjustment" if the Steward receives a copy of any written decision.

### **Section 9** **ARBITRATION**

- A. If after Step 3 of the grievance procedure the grievance is still unsettled, and if it involves a controversy concerning compliance with the express terms of this Agreement and is otherwise within the jurisdictional authority of the arbitrator set forth below, either party may, within sixty (60) calendar days following receipt of the Review Committee's Third Step written answer, by written notice to the other, request arbitration. If no such notice is given within the sixty (60) calendar day period, the grievance shall be deemed settled and not subject to arbitration.
- B. Upon receipt of request to arbitrate, the parties shall attempt to agree upon an arbitrator by each party submitting a list of five (5) arbitrators to the other. If the parties are unable to agree upon an arbitrator through this process, an arbitrator shall be selected through the Federal Mediation and Conciliation Service, but the grievance shall be arbitrated in accordance with the rules of the American Arbitration Association.

- C. The jurisdictional authority of the arbitrator is defined and limited to the determination of any grievance which involves a controversy concerning compliance with any express provision of this Agreement and is submitted to them consistent with the provisions of this Agreement.
- D. In making their decision, the arbitrator cannot modify, detract from, or alter the provisions of the Agreement, and shall be bound by the principles of law relating to the interpretation of contracts followed by the Michigan courts.
- E. The decision of the arbitrator shall be final and binding on the parties, and the arbitrator shall be requested to issue their decision within thirty (30) calendar days after the conclusion of testimony and argument.
- F. Expenses for the arbitrator's services and the proceeding shall be borne equally by the Employer and the Union; however, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pay for the record and make a copy available to the other party and to the arbitrator.

#### **Section 10** **DISCHARGE AND DISCIPLINE**

- A. The Employer shall not discharge employees or take other disciplinary action without just cause.
- B. In imposing discipline on a current charge, the Employer will not take into account any prior infractions which occurred more than two (2) years previously, except for cases involving safety violations in which prior infractions that occurred up to three (3) years previously may be taken into account.
- C. An employee suspended and ordered to leave their work for disciplinary reasons, before leaving the Employer's premises, shall have the right to consult their Steward at a place and a reasonable length of time provided by the Employer. Exception may be made to this provision, with immediate action taken by the Employer to remove an employee from the premises in cases involving possession or use of illegal drugs, drunkenness, violence, willful destruction of property, and other such serious violations.
- D. The Employer shall give the employee, with copies to the Union President and Chief Steward, written notice of any disciplinary action involving demotion, layoff, or discharge within two (2) working days after such action.
- E. Any complaint that the alleged breach of discipline was not, in fact, committed may be treated as a grievance if the complaint:
  - 1. Concerns disciplinary action involving demotion, layoff, and discharge;
  - 2. Is presented in writing within two (2) working days after receipt of the Employer's notification of the disciplinary action; and
  - 3. Is presented directly in the Third Step of the grievance procedure.
- F. Failure to submit a written grievance by the employee within the two (2) working day period constitutes a waiver of all claims concerning such disciplinary demotion, layoff, or discharge.

**Section 11**  
**SPECIAL CONFERENCES**

Special conferences between the Union and the Employer for the purpose of considering matters of mutual interest may be arranged and held at a mutually convenient place and time. Arrangements for such conferences shall be made in advance between the Local President and/or Chief Steward and the Director of Human Resources or their designated representative, and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Any matter submitted by the Local Union shall be a proper subject for a special conference. Matters taken up in conference shall be confined to those included in the agenda. The members of the Union shall not lose time or pay for time spent in such conferences. This meeting may be attended by a Representative of the International Union.

**Section 12**  
**SENIORITY**

- A. Seniority as referred to in this Agreement means University-wide seniority.
- B. Each employee's seniority date shall be the employee's first day of work in the bargaining unit and shall be so credited upon completion of their probationary period.

Employees beginning work on the same date after October 14, 1991, shall be entered on the seniority list alphabetically according to their last name, then first name, then middle name, in that order.

- C. Seniority will continue to accumulate during a) periods of absence authorized by and consistent with this Agreement and, b) periods of absence due to voluntary or involuntary layoffs.
- D. If an employee transfers into the bargaining unit from a non-bargaining unit position with the University, the employee's seniority date will be the date on which he/she begins work in the bargaining unit. For the purpose of determining such an employee's eligibility for benefits such as longevity pay, sick leave, and vacation, the date the employee first became eligible for such benefits as an employee of the University shall apply.
- E. A bargaining unit employee who transfers to any University position outside of the bargaining unit shall retain all seniority accumulated up to the date of transfer for a period of one (1) year while holding the new position. All such accumulated seniority shall be exercised in the event the employee is awarded a position in the bargaining unit from which they applied for as an external candidate. The hourly rate will be calculated based on the hourly rate last held in the bargaining unit, considering any difference between the previous classification and the offered classification, increasing or decreasing.
- F. The Employer shall obtain computerized lists which shall show the names, classification titles, and seniority dates of all bargaining unit employees, including probationary employees even though they do not have seniority. The Employer will provide the President, Vice President, Secretary-Treasurer, and Chief Stewards with copies each month.
- G. Four months after the ratification of this Agreement and annually thereafter during the term of this Agreement, the Employer shall give to the Council the addresses of all Union members covered by the Agreement as such addresses then appear on the records of the Employer. The Council shall receive and retain such information in confidence and shall disclose it only to those officials of the Union whose union duties require them to have such information.

**Section 13**  
**LOSS OF SENIORITY**

An employee shall lose their seniority and status as an employee if:

- A. They quit;
- B. They retire;
- C. They are discharged and the discharge is not reversed through the grievance procedure;
- D. They do not indicate a willingness within five (5) working days to return to work from a layoff within ten (10) working days after being notified by the Employer;
- E. They fail to return to work after a layoff within ten (10) working days after being notified of recall; except when the failure to return is due to circumstances beyond the control of the employee;
- F. They have been on layoff for a period of time equal to their seniority at the time of their layoff or one (1) year, whichever is greater;
- G. They are absent from work for three (3) consecutive working days without notifying the Employer, except when the failure to return is due to circumstances beyond the control of the employee; or
- H. They fail to return from sick leave or a leave of absence within three (3) working days after termination of their leave, except when the failure to return is due to circumstances beyond the control of the employee, e.g., if an employee is unable to return to work at the time their medical leave ends because of continuing ill health resulting from personal illness or injury, as documented in writing by their attending physician. In the event of a medical dispute, the Medical Dispute clause in Section 35 of this Agreement shall apply as regards the settlement of such dispute, except that if the employee is receiving Worker's Compensation, any dispute arising from the claim will be resolved by the Employer's insurance carrier and the employee's physician, consistent with the Worker's Compensation Act.

**Section 14**  
**SUPER SENIORITY OF OFFICERS**

Notwithstanding their position on the seniority list, the President, Chief Stewards and Stewards of the Local Union, shall in the event of a layoff only, be continued at work at all times when one or more divisions or fractions thereof are at work, provided they have the ability to do the work available.

**Section 15**  
**NEGOTIATING COMMITTEE MEMBERS**

The Union negotiating committee shall be limited in size to five (5) members. Upon their appointment the employer shall be notified of the names of the members of the negotiating committee and their alternates. The employer shall be promptly notified in writing of any changes in the negotiating committee as they occur.

**Section 16**  
**LAYOFF AND RECALL**

- A. When seniority employees are declared surplus because of a lack of work, the following procedure will apply:
1. The Union Officers and the seniority employees affected will be notified thirty (30) days in advance of a reduction of work force. The failure to provide such notice, the affected employee will receive their pay to fulfill the thirty (30) day notice period.
  2. Any probationary bargaining unit employees shall be removed from the classification affected before seniority employees are displaced, providing the remaining seniority employees are qualified to perform the work. Student hours or numbers shall not be increased to perform the work of the laid off employee(s).
  3. Thereafter, the least senior employee in the classification and work unit shall be transferred, seniority permitting, first to fill a vacancy in the same classification or, if none, then to displace the least senior employee working in the same classification, on the same shift, University-wide. An employee declining to exercise their seniority rights in accordance with the foregoing, shall be deemed to have accepted a voluntarily layoff. It is agreed that a job vacancy ceases to be available to a surplus employee at the moment it has been awarded to and accepted by the most senior qualified applicant for the vacancy following its being posted.
  4. Having insufficient seniority to exercise within their current classification, the surplus employee may then elect either a voluntary layoff, or, seniority permitting, may displace the less senior employee in any classification University-wide, in which the surplus employee is qualified to perform the work. Having insufficient seniority to displace another bargaining unit employee accordingly, the surplus employee shall be laid off.
  5. Employees displaced under the process described in subparagraph 4. above, shall then have the right to exercise their seniority in the same manner.
- B. The exercise of seniority rights to transfer into another classification is subject always to the employees being qualified to perform the work as defined in Paragraph D. of Section 18 of this Agreement, following a reasonable orientation period. The Employer shall not be obligated to train any employee in order to preclude their layoff.
- C. Bargaining unit employees in Dining Services and Facilities will be offered available work at their regular classification rate of pay during the Holiday recess, the summer semester, and the recess periods between semesters. No employee will have their classification reduced or be paid in a higher classification during these time periods. Work will first be offered to seniority employees, within classification and work unit. Secondly, it will be offered to qualified senior employees within the work unit. Finally, it will be offered to senior employees in Dining Services and Facilities. Current employees within the work unit will not have their regular schedule disrupted by offering available work to surplus (Section 16 A.) employees.
- D. When required by Employer, employees shall be recalled from layoff in accordance with their seniority to available work for which they are qualified; provided, however, that an employee electing a voluntary layoff under the terms of Paragraph A. 4. above, shall be recalled in accordance with their seniority only to the same classification from which they elected such layoff. Employees displaced and transferred from their higher-paid classifications shall be transferred back as their seniority permits and as work is available, before any such open classifications are posted as job vacancies.

1. Notice of recall shall be sent to the employee at their last known address by registered or certified mail.
2. Employer may require an employee who is recalled to work after a layoff of more than three (3) months to undergo a physical examination conducted by a medical doctor at University's expense.

**Section 17**  
**PROBATIONARY EMPLOYEES**

- A. Employees newly-hired shall be considered as probationary employees for the first one hundred and twenty (120) calendar days of continuous employment. When an employee finishes the probationary requirement, he/she shall be entered on the seniority list of the bargaining unit and shall have seniority from the first day of work in the bargaining unit. There shall be no seniority among probationary employees.
- B. Employees newly-hired into the bargaining unit who have previously completed a probationary period of continuous employment in any position with the Employer shall not be required to serve a probationary period as provided in this Section 17, but shall be granted seniority status at the first day of work in the bargaining unit.
- C. The Union shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment; but a probationary employee may be discharged or disciplined for any reason deemed proper by the Employer without recourse to the grievance procedure.

**Section 18**  
**JOB VACANCIES**

- A. Employer will notify the Union President within fourteen (14) calendar days after an employee vacates a bargaining unit position as to the Employer's decision regarding the vacated position. Employer may elect not to fill the position if no longer needed, and, may either downgrade to a lower-paid classification or upgrade to a higher-paid classification any position due to a significant change in the work content; provided however, that prior to making such changes a special conference may be called to discuss the matter and if agreement is not reached, the Employer's decision may be submitted to the Third Step of the grievance procedure. The Employer will notify the Union prior to converting a position to a 9/10 month position, and meet with the Union to discuss the reasons for the conversion.
- B. Providing there are no displaced or laid off employees with recall rights, before hiring new employees, the Employer will attempt to fill open bargaining unit positions with seniority employees in accordance with the following provisions.
  1. Notice of job vacancies which are determined by Employer to exist will be made available through the campus-wide communication system, and Human Resources' web site, for five (5) working days. Such notices shall show the classification, department, and shift involved. Seniority employees desiring consideration for a posted job may make application, not later than five (5) working days after the date of the posting, through the Human Resources departmental process.
  2. The opportunity to fill the posted job vacancy will first be given to the most senior qualified employee, University-wide as is being posted.

3. After the original posted vacancy has been awarded, the Employer, within thirty (30) calendar days, may allow for lateral movements by seniority within the classification without posting each determined vacancy within that classification.
  4. When no more lateral movements remain and a determined vacancy still exists, that vacancy will be posted according to Section 18. B. 1.
  5. In the event there are several qualified applicants for a posted job, the applicant having the most seniority among them shall be awarded the position. However, an employee's work record of the two (2) prior calendar years, evidencing excessive unapproved absenteeism or adverse disciplinary action, may disqualify them from being awarded the position.
  6. The Employer will strive to fill posted job vacancies that have been awarded within thirty (30) calendar days after the posting period. If such job vacancies are temporarily filled, Employer will notify the Union its reason for doing so.
- C. As used in this Section and, also, throughout this Agreement, to be "qualified" or to be "qualified for consideration" shall mean to be in possession of the basic and physical qualifications, the knowledge and skills required, and have the current ability to perform the work to be done to the Employer's satisfaction. Each employee is responsible for ensuring that their application for a posted job sets forth all of their skills, experience, training, and other qualifications he /she wishes to be considered by the Employer in evaluating their candidacy.
- D. An employee applying for a posted job who is deemed qualified by the Employer and is awarded the opening accordingly, shall be granted an orientation period in which to confirm their apparent ability to perform the work to the Employer's satisfaction, and to determine their own interest in remaining in the new position. The orientation period shall begin on the start date of the awarded position, provided there are at least three (3) calendar weeks left in the positions regularly scheduled employment period.
- The orientation period for awarded positions shall be three (3) calendar weeks. Prior to the end of the orientation period, the employee may elect to revert to their former position, but may not do so thereafter except through the procedures set forth in Paragraph B. of this Section. If the Employer disqualifies the employee prior to the end of the orientation period, the employee will revert to their former position, and in such event, the employee and the Union will be notified in writing as to the reason for removal.
- E. In the event the most senior applicant is not awarded the posted job, the reason for denial shall be given in writing to such employee, the Chief Steward, and the Union President.
- F. The Employer agrees not to fill job vacancies in bargaining unit classifications, in which the same work still exists, with other non-unit University employees. The Employer also agrees not to reclassify bargaining unit positions to non-bargaining unit positions if the duties of the position have not changed since the signing of this Agreement.
- G. Each employee will be allowed to accept a position within their classification no more than three (3) times during a twelve (12) month period, which begins on the date that they accept the first position.

## **Section 19**

### **PART-TIME EXTRA HOURS**

The Employer will attempt to equalize reasonably among part-time employees any extra hours of work which may become available. Equalization of such extra work hours will be within classification, work unit, and shift.

Employer may temporarily transfer part-time employees from one work unit to another as needed to perform extra hours of work, any such extra hours worked shall be charged to the employee.

During the extended absence (greater than one weeks) of a full-time employee, a part-time employee may be offered the opportunity to fill the vacancy, if there is not a pay out of classification opportunity for a qualified full-time employee. This offer will be made to the qualified part-time employee having the most seniority. The hours created by the temporary reassignment will be equalized according to this section.

## **Section 20**

### **CONTRACTING AND SUBCONTRACTING**

- A. During the term of this Agreement the Employer will not contract out work which is being exclusively performed by the bargaining unit at the time of the signing of this Agreement, so long as the Employer has the proper equipment and sufficient skilled personnel to perform such work economically and timely. The foregoing shall not apply to new construction and major alterations and repairs.
- B. No full-time or part-time employee in the bargaining unit at the time of the signing of this Agreement will be terminated from employment in the event their job is eliminated due to contracting out of work.

## **Section 21**

### **LICENSED TRADES**

Electrical, carpentry, and plumbing work that involves installation, remodeling, altering, extending, or adding to any building system or installation shall be performed by licensed Electricians, licensed Carpenter, and licensed Plumbers in accordance with applicable state code.

Installation, maintenance, or repair work performed on air conditioning or refrigeration equipment that could reasonably be expected to release CFC's or HCFC's into the atmosphere shall be performed by certified personnel per applicable EPA code requirements.

## **Section 22**

### **UNIFORMS/SAFETY SHOES**

- A. All new employees within the bargaining unit will be issued two (2) uniforms upon completion of their probationary period. Included are employees who transfer into a position where a standard uniform is worn.
- B. Employees within the bargaining unit who have been furnished uniforms will be issued one (1) uniform each subsequent year for the duration of the Agreement.
- C. The Employer will replace uniforms that become damaged or unacceptable in appearance because of performance of regular duties. Badges, IDs, emblems, etc. will be provided by the University to be worn in a prescribed manner on the job.
- D. Employees shall be responsible for the laundry, care, and maintenance of their uniforms. Uniforms provided by the Employer shall not be worn by the employees when off duty.
- E. Each employee is required to wear their work uniform, properly laundered and of good appearance during all working hours.

- F. The University will contribute \$125.00 toward the cost of one pair of safety shoes per contract year, for any employee working in a position classification in which safety shoes are deemed as required by the employer. The University will contribute \$250.00 toward the cost of one pair of safety shoes, for any employee working in a position classification in which safety shoes are deemed as required by the employer, when no contribution was made the previous contract year.

**Section 23**  
**OVERTIME**

A. Overtime premium shall be paid as follows:

1. Time and one-half the regular straight time rate will be paid for all time worked in excess of eight (8) hours in an employee's workday.
2. Time and one-half the regular straight time rate will be paid for all such hours worked in excess of forty (40) hours in an employee's work week; provided, however, that all hours paid at the overtime rate must be actual hours worked and not those recorded as sick leave or a holiday. Hours recorded in excess of forty (40) hours per week as sick leave or holiday pay will be paid at a straight time rate.
3. For the purpose of computing overtime pay for over forty (40) hours in an employee's work week, a holiday, a sick day, or a vacation day for which he/she receives pay will be counted as a day worked.

B. Overtime premium shall not be pyramided, compounded or paid twice for the same time worked.

C. In general, overtime work shall be voluntary, provided, however, when at least forty-eight (48) hours advance notice of an overtime assignment is given, or when circumstances do not permit advance notice, an employee will be required to work unless sufficient other employees within the work unit capable of doing the work are available, in which case an employee who does not wish to work will be excused from overtime.

D. Equalization of overtime hours shall be in accordance with the following provisions:

1. Overtime hours will be divided as equally as possible among employees in the same classification and shift in their building. The Supervisor responsible for the building will record overtime for equalization purposes by classification. The Steward responsible for the district and the employee will have access to the equalization records, upon request.
2. When overtime is required, first a full-time employee then a part-time employee with the least number of overtime hours in that classification within their building will be called first and so on down the list in an attempt to equalize the overtime hours. In this connection, the University need not call in an employee to work rather than extend the shift of an employee already at work. In cases of emergency, the Employer may call the most available employee regardless of equalization standings. Employees in other classifications may be called if there is a shortage of employees in the classification needed. In such cases they would be called on the basis of least hours of overtime in their classification, provided they have the ability to do the work. In any event, as the Employer could be faced with having insufficient employees to perform necessary work during any given voluntary overtime period, it shall have the right without prior notice to appoint the number of qualified employees required to work the overtime period on the basis of inverse seniority.
3. Time not worked because the employee does not choose to work, will be charged against the employee's overtime equalization record, such charge to be three (3) hours or the average number of overtime hours of the employees working during that call out or overtime period.

4. Employees who change classifications will be charged with the highest number of overtime hours that exist in the new classification on the day they are reclassified.
  5. The employer is not required to follow the equalization of overtime if the employee whose absence requires an overtime situation fails to notify the employer twenty-four (24) hours in advance of their scheduled shift. When an employee cannot be contacted by telephone they will be considered unavailable. If an employee is not called in for overtime work in accordance with this clause he/she shall be given the next overtime available when that employee is available.
  6. Should an employee work any overtime during a scheduled work week, the employee will not be rescheduled during the same work week in order to circumvent overtime payment. An exception would be when mutually agreed between the employee and the supervisor.
  7. Overtime hours shall be reduced to zero (0) every July 1.
- E. When it is anticipated that overtime will be necessary for an extended and/or indefinite period of time, the Employer will give advance notice to the employees in the classifications involved. This shall not apply in cases of emergency. Any such overtime shall be equalized in accordance with Paragraph D. of this Section.
- F. Employees may be granted time off with pay rather than receiving overtime pay. All hours granted as time off with pay for hours worked in excess of forty (40) hours per week or eight (8) hours per day are to be considered as compensatory time and scheduled as one and one-half (1½) hours for each overtime hour worked.

#### **Section 24** **SHIFT DIFFERENTIAL**

- A. Employees who commence work during the second or third shift shall receive, in addition to their regular pay, forty (\$.40) cents per hour and fifty (\$.50) cents per hour, respectively, additional compensation. Such differential is to be added to the total wages without increasing the hourly rate, and will be paid for all hours worked on a shift.
- B. For the purpose of determining the periods for which shift differential will apply, the first shift is any shift that starts on or after 5:00 a.m., but before 12:00 noon. The second shift is any shift that starts on or after 12:00 noon but before 8:00 p.m. The third shift is any shift that starts on or after 8:00 p.m., but before 5:00 a.m.
- C. Shift differential shall not be paid in addition to overtime when employees work extended shifts.
- D. When an employee is permanently transferred or promoted, all accumulated sick leave and vacation will be paid at the rate of their new job's wage plus the appropriate shift differential.

#### **Section 25** **CALL BACK PAY**

An employee reporting for duty at the Employer's request for work which is outside of and not continuous with the employee's scheduled work period, shall be guaranteed three (3) hours pay at the rate of time and one-half. Employees are not entitled to shift differential for call back pay unless their regular schedule includes a shift differential premium.

**Section 26**  
**WORK IN HIGHER CLASSIFICATION**

- A. If an employee is assigned to work in a higher classification for one (1) or more hours, the employee will receive pay at that rate.
- B. Employees who are temporarily assigned to work in a higher classification, will be paid at that rate for any holiday, sick leave, or vacation time occurring during that assignment.

**Section 27**  
**REST PERIODS**

Employees may take a rest period of not more than fifteen (15) minutes for each half day of work at times scheduled by the Employer. The rest period is intended to be a recess to be preceded and followed by an extended work period; thus, it may not be used to cover an employee's late arrival to work or early departure, nor may it be regarded as accumulative if not taken.

**Section 28**  
**WASH-UP TIME**

An Employee who needs time to wash because of the nature and conditions of their job, may be excused by their Supervisor to use necessary time, not to exceed ten (10) minutes, to wash before the end of their working period.

**Section 29**  
**MEAL BREAK**

Each employee working a daily work schedule in excess of six (6) hours shall be granted a scheduled meal break of thirty (30) minutes or sixty (60) minutes on each such day. The employee shall receive no compensation for this scheduled meal break. The time of the meal break may be changed at the employee's request and with the approval of their immediate supervisor.

**Section 30**

- C. Each part-time employee, other than an employee 1) on layoff (except as otherwise herein provided) 2) on any leave of absence, or 3) not scheduled to work for any four (4) consecutive week period in which the holiday falls, shall receive prorated holiday pay in proportion to their straight-time hours worked in the pay period in which the holiday falls. For calculation purposes, the number of holiday hours in the pay period are multiplied by a fraction, the numerator being the number of hours worked in the pay period, excluding work on the holiday, and the denominator being eighty (80) hours minus the number of holiday hours in the pay period. To be qualified to receive holiday pay, the employee must work their last scheduled day prior to and their next scheduled day following the holiday, unless failure to work on either or both such days is excused because of; (1) personal sickness or injury as provided in Section 31, (2) approved vacation, or (3) other extraordinary circumstances beyond the control of the employee which cannot be corrected in time for them to meet their employment obligation.
- D. In addition to the holiday pay as provided in Paragraphs B. and C. above, an employee who works on the holiday will be paid for the time worked at one and one-half times their hourly rate. To the extent that time worked is paid pursuant to this Section, it shall not be considered time worked under Section 23, Paragraphs A. and B.
- E. Holidays during vacation or sick leave shall not be counted as a part of vacation or of sick leave time.
- F. If the University institutes a paid time-off program during the Christmas season, or Martin Luther King holiday, it will include the bargaining unit employees.
- G. For personal day hours, full-time employees will receive 8 hours, 30 hour, part-time employees will receive 6 hours, and part-time, no base employees will receive 4 hours.

2. Should an employee eligible for vacation be discharged, resign, or retire from employment at the University, vacation will be paid out at a maximum of one hundred sixty (160) hours paid to the employee at their regular rate of pay.

The University reserves the right to use a statement from a University's designated physician to help substantiate a leave due to illness, injury or disability. If deemed necessary by the University, a physician statement may also be required for any sick leave requests by an employee, as long as the employee has been notified prior to this requirement.

#### **D. COMPENSABLE INJURY**
