Memo of Understanding

Between: Michigan Tech University and UAW Local 5000

Regarding: Supervisor Driven Audit

The parties agree to the following:

Effective January 1, 2019, Supervisor Driven Audits will be allowable for one (1) calendar year as a trial.

The Union and the University agree to form a four (4) person review committee comprised of the UAW President, UAW Vice President, and two (2) University designated representatives to review all submitted supervisor driven audits together.

To be eligible, UAW employees must be in their current position for a minimum of two (2) years.

A Supervisor Driven Audit can only be done once every three (3) years.

The Supervisor and UAW employee will submit an updated job description to initiate the Supervisor Driven Audit process.

The Supervisor Driven Audit is not precedent setting nor is it grievable.
