Memo of Understanding

Between: Michigan Technological University and UAW Local 5000

Regarding: Level Nine (9) creation and level Three (3) elimination for 2018
The parties agree to the following:

UAW Level 9 Development

The University and the UAW will create a committee of two (2) administration and two (2) UAW members to begin the process of creating a level nine (9) and eliminating a level three (3) before the 2019 negotiations.

This is not precedent setting nor is it grievable.
