

## Fall 2021 Flu Shot Clinic Schedule

U.P. Health System-Portage will offer walk-in flu vaccine clinics on campus this Fall. Employees, retirees, family members and students are welcome to attend one of the flu clinics. The flu vaccine can be billed to insurance, so be sure to have a valid copy of your insurance card with you when you arrive.

Flu shots are \$40 for those who do not have insurance and are payable by cash, check or credit card. All flu shot clinics will practice 6 feet social distancing and you are **required** to wear a mask. If you don't feel well, please stay home and plan to attend a future clinic
