Michigan Technological University

Michigan Technological University has launched a hiring initiative across multiple disciplines at both the tenure-track and instructional-track levels:

- Biological Sciences
- Chemical Engineering (faculty & chair)
- Chemistry (chair)
- Civil Engineering
- Computer Engineering
- Computer Science
- Construction Engineering/Management
- Cybersecurity and Informatics
- Economics
- Electrical Engineering
- Engineering Fundamentals
- Environmental Engineering
- Humanities
- Kinesiology and Integrative Physiology
- Manufacturing and Mechanical Engineering Technology
- Mechanical Engineering – Engineering Mechanics
- Mechatronics
- Physics
- Transportation Engineering

If you want to work at one of the nation’s premier technological universities, in an environment that is committed to DEI, and live in one of the top small towns in the US – with year-round outdoor adventure like skiing, biking, and hiking – we strongly encourage you to apply. Additional details can be found at https://www.mtu.edu/provost/hiring-initiatives/.

Michigan Technological University is:

- Committed to a diverse and inclusive community of and for scholars that is conducive to excellent teaching, innovative research, and the personal and intellectual growth of its students, faculty, staff, and alumni.
- Supportive of dual-career partners by offering candidates the opportunity to bring a guest to on-campus interviews. The Manager of Partner Engagement offers career advice and assistance in finding partner positions at the University and in the local community (https://www.mtu.edu/provost/programs/partner-engagement).
- Home to more than 7,000 students from 55 countries around the world. Our five degree-granting colleges develop, apply, and communicate science, engineering,
technology, and mathematics in more than 140 graduate and undergraduate degree programs.

- A leading public research institution with more than $94 million in total research expenditures and 18 research centers and institutes.
- Located in the beautiful Upper Peninsula of Michigan. Our campus overlooks the Keweenaw Waterway and is just a few miles from Lake Superior.
- An ADVANCE Institution that has twice received National Science Foundation funds to support efforts to increase diversity, inclusion, and the participation and advancement of women and underrepresented individuals in STEM.
- An Equal Opportunity Educational Institution/Equal Opportunity Employer that provides equal opportunity for all, including protected veterans and individuals with disabilities.

Michigan Technological University is hiring - multiple disciplines, tenure-track & instructional-track [https://www.mtu.edu/provost/hiring-initiatives/](https://www.mtu.edu/provost/hiring-initiatives/)

Ad was placed in the following locations with the intent to recruit a more diverse applicant pool. All ads were placed between 10/28/22 and 11/3/22, and the majority will run for 30 days. Costs incurred covered by the provost’s office.
