Submit completed forms to Katy Ellenich, kmelleni@mtu.edu for review by the RTC Steering Committee.**

**** Methodologies/Methods (M/M) Preparation** is defined as relevant qualifications to conduct proposed research. This is to be determined by the student's advisor in consultation with the student and the committee. Depending on the nature of the project, appropriate M/M preparation may include taking courses with a designated M/M component, dedicated methodology courses, relevant prior research experience, or other special preparation approved by the student's committee.

***** ML & Global/Intercultural Requirements** will be phased out beginning AY22-23. Students who have not yet completed this requirement may opt to have this requirement waived if their beginning term is prior to Fall 22.

Once completed, this form will be made available to the student during their year-end progress evaluation meeting with the Graduate Program Director. **THIS EVALUATION IS USED FOR REAPPOINTMENT DECISIONS.** The signed form will be placed in the student's file; copies will be provided to the student and the advisor.

Have you submitted a paper for publication and/or presented one for the current year (March.-Feb.)? If yes, please list:
