* A full list of major elective course options is available on the official degree audit

**** To fulfill graduation requirements for upper level credits, student must take at least 18 credits of their core electives or free electives at the upper-division level (3xxx or 4xxx)**

NOTES:

The Essential Education minor pathway is an option for any student. Following one of the Essential Ed minors may require some adjustments in the four year plan.

Additionally, CCM students have many (up to 51) free electives that provide flexibility. Students are encouraged to take additional CCM coursework as free electives and/or consider adding a minor or coursework outside their major to explore other interests and enhance their degree.
