## HOW TO FIND INFORMATION

### What is your social media showing you?

Misinformation is plentiful on the internet & social media algorithms are major contributors

Your social media feeds are based off your profile & posts you interact with

**Share articles & posts with caution!**

Before you hit 'share':

- Is the information from a reliable source (i.e., .gov, .edu, or .org) website and up-to-date?
- Is the information biased in any way?
