- Math:** Math placement is based on ACT/SAT/AP math score or transfer credit.
- Free Electives:** Any Michigan Tech course(s) or approved transfer course(s) that are 1000-level or above and are not duplicated or equivalent courses.
- Pre-requisite** course must be successfully completed **prior** to taking the subsequent course.
- Concurrent Pre-requisites** may be taken at the same time, although it is not necessary to take these courses together if the pre-requisite course is completed first.
- Co-requisite** courses are courses that **must** be taken together in the same semester.
- Transfer, Advanced Placement, or Study Abroad Courses** are not included in credit hours used for GPA calculations. Transfer credit is awarded for Michigan Tech equivalent coursework only if a grade of 'C' or better (2.00/4.00) or equivalent is earned at a transfer institution.
