The Young Female Leaders Program is a mentoring program that pairs Michigan Tech female undergraduate students with middle school girls from the local community. Utilizing both one-on-one and large group activities, the mentoring program focuses on promoting leadership skills by helping the girls develop competence, autonomy, and connections with each other.

A. Basic Information

Name (first and last): ___________________________________________________________

Preferred First Name: __________________________________________________________

Email Address: _______________________________________________________________

M-number: ___________________________________________________________________

Phone number: _______________________________________________________________

Major: _______________________________________________________________________

Current GPA: _________________________________________________________________

Year in school: _______________________________________________________________

Emergency Contact (name and number): ___________________________________________

B. Short Response

Why are you interested in being a mentor?

Describe any leadership experiences you have had.
