My background

Ph. D. Indian Institute of Science, India

Assistant Professor, 2013-2016, North Carolina A & T State University

Post Doctoral Research, 2011-2013, University of Michigan, Ann Arbor

Areas of research/expertise

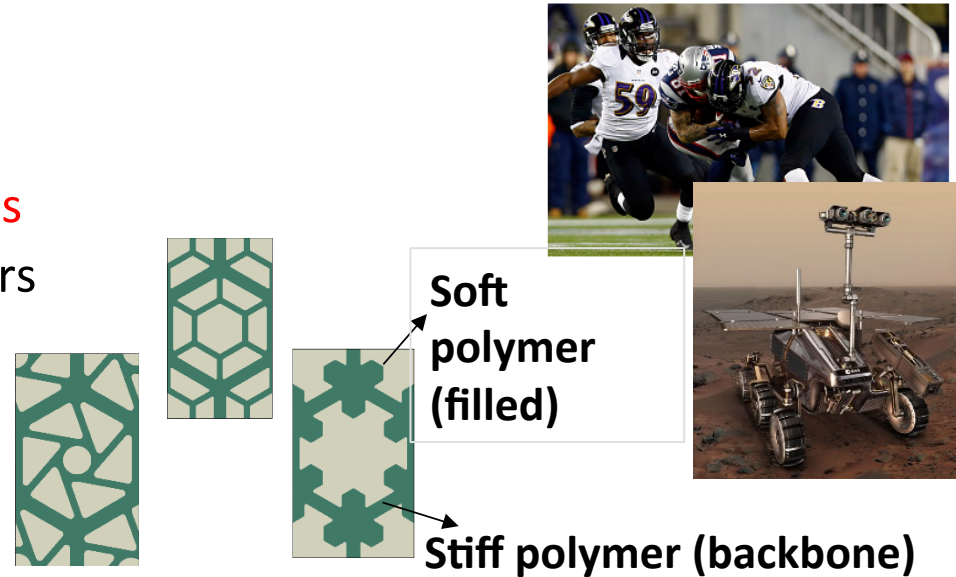

Trisha Sain, tsain@mtu.edu

How I can contribute

Multifunctional polymer composites

- Constitutive response of polymers
- Design optimization
- Validation

Multiphysics modeling of photo-curable polymers
