	ator: University Proposal Number:
	Checklist to Determine Subrecipient or Contractor/Vendor Classification
INSTRUCTIONS	
greatest number exceptions to the greater consider	ons one and two of the checklist by marking all questions that affirmatively apply to the external entity. The section with the university of marked boxes indicates the likely type of relationship the entity will have with the University. On occasion, there make type of relationship indicated by the completed checklist. In these situations, the substance of the relationship should be exaction than the form of agreement between the University and the external entity. Section three should be used to proof on the use of judgment in determining the proper relationship classification.
whether an agre of the relationsh	determine the relationship with an external entity prior to proposal submission, in compliance with <u>2 CFR 200.330</u> . In determ the mement between a pass-through entity and another non-Federal entity casts the latter as a subrecipient or a contractor/vendor, the substippies is more important than the form of the agreement. All of the characteristics listed below in the Definitions may not be present in all ough entity must use judgment in classifying each agreement as a subaward or a procurement contract.
DEFINITIONS	FROM UNIFORM GUIDANCE (2 CFR § 200):
_	t: ecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not dividual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding
§200.23 Conti	Vendor, AKA: Service Provider): ractor means an entity that receives a contract as defined in §200.22 Contract. ract means a legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a d.
IAME OF EXT	ERNAL ENTITY:
Description:	A subaward is for the purpose of carrying out a portion of a Federal award and creates a Federal assistance relationship with the subrecipient.
