Special Acknowledgements

The entire Rozsa staff, for their expertise.
 IRHC for generously supporting discounted student tickets.
 The ushers, for volunteering their time.
 The audience, for coming out and supporting the groups.
 This year's Winter Carnival Sponsors, for their generous donations.
 And last but certainly not least, all the performing groups, for putting in the time and effort to help make this event happen!

Michigan Technological University is an equal opportunity education institution/equal opportunity employer, which includes providing equal opportunity for protected veterans and individuals with disabilities.

The Skits...

1. Alpha Gamma Delta & Sigma Tau Gamma

Galaxy's Got Talent (Featuring Katy Perry):

"An intergalactic talent show with surprise guest judge Katy Perry. This show is full of talent, tears and an unexpected twist! It's sure to entertain the whole family."

2. Phi Kappa Tau

Chasing Yooper Lites through Starry Nights:

"A group of friends search for Yooper Lites and must stop intruders from space."

3. Sigma Phi Epsilon & Phi Delta Theta

Mission to NMU-41:

"Inspired by WALL-E, Earth receives a distress signal from another planet and sends WALL-E, EVE, and a child into space with a plan to help save it. During their journey, they face several obstacles along the way."

4. St. Albert the Great University Parish

Planet of Da Yoops:

"A crew of very bright space explorers touchdown on an alien landscape and seek to uncover the mysteries of its inhabitants for a documentary on extraterrestrial lifeforms..."

The Skits Cont.

5. The Huskies Pep Band

One Small Step for Pep:

"When the spirit of the true president of the Huskies Pep Band, the EERC Tree, appears to the President-Regent in a dream, he is given a quest to fulfill the EERC Tree's final wish — to reconnect with the moon one last time. The President-Regent sends a group of pep band members to space to retrieve the moon by whatever means necessary."

6. Theta Chi Epsilon & Sigma Pi

The Magic Van:

"A group of Tech students and their teacher embark on a journey through space to reach Michigan Tech's lunar camp. Along the route, they run into an issue with the van, and the group ends up separated from each other. With half of them left in space, and the other half stranded on the moon in an unknown area."

7. Delta Phi Epsilon & Beta Sigma Theta

Men in Black and Gold:

"Three students are working on a portal machine in the MEEM, of the three one is an alien. Then the Men in Black come through the portal and abduct one of the students as they've mistaken them for a really weird alien. In order to get their friend back the other two students travel through the portal but are left to alternate movie worlds, making friends along the way. Eventually getting the portal to work the duo finds their friend about to be incarcerated. The friends they've made help them and they save the day."

8. Guardians of the North

Space Privates:

"The skit follows two new Space Force cadets as they undergo a brief Space Force Basic Training before graduating and becoming Space Privates. Their adventure takes them to Cape Canaveral Space Force Station in Florida, where they steal a rocket and head to the Moon. There, a dramatic—and comedic—battle for space superiority ensues between the Space Privates and the Moon Cats (NMU)."
