Anthropologist & Filmmaker

7:30 p.m. on April 20, 2023 at
the Rozsa Center for the
Performing Arts

Run Time 70 min

followed by a Q&A Session

**Photos and Recording is
Prohibited**

About Adaptations

Explore the remarkable ways people around the world are adapting to climate change with environmental anthropologist and filmmaker Alizé Carrère. From the floating gardens of Bangladesh to the ice pyramids of northern India, Carrère offers a hopeful look at the resilience, perseverance, and innovation of humankind under even the most difficult of conditions.
