SUBJECT: Academic Calendar

Attached is the Proposed Academic Calendar for 2025-26 and the Provisional Academic Calendars for 2026-27 and 2027-28. The University Senate did not complete a proposal for calendars in this academic year so these calendars were put together through the registrar's office. Senate policies relating to the timing of various components of the academic calendar were taken into consideration in the development of these calendars. This process was communicated previously to the Senate, and the attached calendars have been shared with the leadership of the Senate.

It is my recommendation that these proposed and provisional calendars be approved by the administration.

I concur X do not concur with the provost's recommendation as stated in this memo.

Richard Koubek, President
