Carstens MOVED, with Arici's second, to approve the agenda. The motion CARRIED. [Appendix A. NOTE: only official Senate and Library archival copies of the Minutes will contain a full complement of appendices.]

President Bornhorst requested that the Senate return to the issue of Senate officers. Soldan had MOVED, with Sandberg's second, to retain the slate of Senate Officers as is, suspend the bylaws for 1995-96, and select an ex officio vice president from a unit other than an academic degree-granting department. Vichich MOVED, with Soldan's second, to amend "ex-officio" to "pro tem", which CARRIED on a voice vote with dissent. Soldan MOVED to amend, with Vichich's second, to delete "suspend the Bylaws for 1995-96", which CARRIED on a voice vote. The amended motion, "to retain the slate of Senate officers as is and select a pro tem vice president from a unit other than an academic degree-granting department", CARRIED on a voice vote.

4. REPORT FROM SENATE PRESIDENT
A. Proposals 30-95, Revision of Proposal 17-94, Policy on Academic Freedom, and 36-95, Scientific Misconduct Policy Statement were submitted to the Administration [Appendices B & C].

B. The following proposals are pending Administration approval: 13-95, Faculty Grievance Policy and Procedures; 23-95, Conflict of Interest Policy; 26-95, Undergraduate Academic Progress; 27-95, Academic Integrity Policy; 30-95, Revision of Proposal 17-94, Policy on Academic Freedom; and 36-95, Scientific Misconduct Policy.

C. Provost & Executive Vice President Dobney reported on Departmental Charters. He stated that he hopes to have charters approved in the fall; a
memo is going out to Deans regarding modifications that are necessary to bring charters into congruence across campus.

D. President Bornhorst reported that the Optional Retirement Furlough Program will terminate on May 18, 1996.

E. The search for the Senior Vice President for Advancement and University Relations has moved forward.

F. President Bornhorst stated that the Administrative Evaluation Commission has requested [Appendix D] that the Senate add 2-3 members to represent the new professional staff constituency. Hearing no objections, he ruled that the Senate add three more members, and he will ask the professional staff constituency for nominees.

5. COMMITTEE BUSINESS/REPORTS
A. Chair Sloan presented a personal statement [Appendix E], concluding that the Senate should reconsider its action of last spring, which barred 1994-95 Finance Committee members from serving in 1995-96; Sloan stated that she would not serve on the 1995-96 Finance Committee. Whitt MOVED, with Arici's second, that the Senate afford equal treatment to the 1994-95 Senate Finance Committee membership in assignments to this year's committee. After some discussion on the floor of the Finance Committee Report, Keen MOVED, with Beck's second, to TABLE this motion temporarily until Committee Assignments (5B) could be discussed. Motion CARRIED with dissent.

B. President Bornhorst suggested creating an Ad Hoc Committee for Professional Staff Issues, with Senators from both professional staff and academic degree-granting departments, to deal with the following issues relating to the addition of professional staff to the Senate constituency: (1) composition of the nine professional staff units (2) whether the Senate constitution should be amended to list issues that pertain only to professional staff, and (3) other professional staff policy issues, for example, the creation of a staff handbook. Whitt MOVED, with Soldan's second, to form an ad hoc Senate committee focussed on issues concerning professional staff, assignment to which would be equivalent to assignment to a Senate standing committee. With discussion at an end, the motion CARRIED with voice vote. President Bornhorst stated that he had hoped that last year's Executive Committee would have completed preliminary assignments before the beginning of the 1995-96 Academic Year. Bornhorst stated that he had agreed not to put a list of committee assignments forward until the issue with the Finance Committee was resolved. In the past, Senate Officers prepared the preliminary list of committee assignments after requesting first, second, and third choices, and avoiding more than one representative from a single unit being on the same committee. Bornhorst asked for input on a different process for committee assignments. There were no suggestions. Hearing no objections, Bornhorst then stated that a list of committees will be forwarded to all Senators and Alternates to indicate their first, second, and third choices for committee assignments, and the Senate officers will prepare a preliminary committee assignment list to present to the Senate at its next meeting.

Sandberg MOVED, with Keen's second, to take the motion off the table. Motion CARRIED. By a secret ballot, 26 voted yes and 9 voted no; Whitt's motion CARRIED.

C. President Bornhorst referred Senators to the report in Tech Topics on the July 21, 1995 Board meeting. Keen asked for the record whether, as
alleged in a report in the Lode, Provost Dobney censored Tech Topics. Goodrich from Tech Topics denied this.

D. President Bornhorst presented a list of University Committees requiring nominations for representatives from the Senate. The Senate approved William Shapton and Pete Tampas for the Capital Projects Planning Committee, and Dave Reed for the Computer Executive Committee. After discussion, it was agreed that Senators would ask for nominees from their constituents and nominations would be also be solicited by posting the committee list in Tech Topics. [Appendix F]

6. OLD BUSINESS
A. PROPOSAL 4-96, CONFLICT OF INTEREST STATEMENT FOR THE BOARD OF CONTROL
[See minutes, page 5710 for a copy of this proposal.] Seely reported that a Board of Control Subcommittee had met and agreed with the Conflict of Interest statement, requesting only a change on p. 3 to insert "President" after "The University" so that the policy would read "The University President shall designate a Conflict of Interest Coordinator."

Bradley MOVED, with Caspary's second, to consider Proposal 4-96 as an emergency proposal. By secret ballot, 29 yes to 6 no, the motion CARRIED.

Carstens MOVED, with Sloan's second, to approve Proposal 4-96.

Whitt MOVED to amend, with Thayer's second, by inserting at the end of p. 3, Category V: "This also includes persons or firms serving as consultants to the University, who may not combine the role of adviser and provider of a service." President Bornhorst asked if there were any objections to the voting units (full Senate). There were none. After discussion ended, the motion CARRIED by a voice vote, with dissent. Hearing no objections, President Bornhorst ruled this change and the insertion of "President" noted above by Seely as editorial changes.

Caspary MOVED, with Carstens' second, to amend p. 3, Category V by inserting "Other" before "Outside professional" to read "Other outside professional", and to amend p. 3, section entitled Annual Report, by inserting "reportable" so that it would read "include a summary of reportable conflict of interest activities." After discussion ended, motion CARRIED unanimously. President Bornhorst ruled these changes as editorial.

Hearing no further discussion, the motion CARRIED to approve Proposal 4-96 as amended by a voice vote.

Seely stated that procedures to implement the conflict of interest policy would be brought to the Senate for discussion and approval.

B. PROPOSAL 2-96, FRINGE BENEFITS COMMITTEE
[See minutes, page 5713 for a copy of this proposal.] Arici MOVED, with Caspary's second, to consider Proposal 2-96, as an emergency proposal. On a secret ballot, the motion CARRIED unanimously. Mroz MOVED, with Chavis' second, to approve Proposal 2-96. There were no objections to voting by full units of the Senate.

Provost Dobney noted his concern that the Senate Constitution allowed proposals to go to only one Committee before returning to the Senate floor, and suggested that it would be useful to have the ability for proposals to go before several committees before returning to the Senate.

After discussion ended, the motion CARRIED with a voice vote without dissent.

President Bornhorst asked that we move discussion to agenda item 6D.

D. PROPOSAL 7-94, SCHEDULING OF EVENING EXAMINATIONS [Appendix G]
Arici MOVED, with Melton's second, to approve this proposal. Several objections were raised. Brokaw MOVED, with no second, to adjourn. Keen MOVED, with Leifer's second, to table the motion until the Senate meeting in October.

Brokaw MOVED, with Thayer's second, to adjourn. Motion CARRIED. The
meeting adjourned at 7:30 p.m.

Respectfully Submitted by Christa L. Walck
Vice President of the Senate
