

PROPOSAL 4-63

3-2 PROGRAM FOR LIBERAL ARTS AND ENGINEERING DEGREES

Proposed: That the Curricular Policy Committee prepare a report on the desirability and feasibility, if the Committee finds this possible, of a program which will permit a student to take three years of Liberal Arts at another institution, two years at MCM&T, and to receive both his B.A. degree and his B.S. degree in Engineering.

Proposal Dropped by Senate: 16 November 1963
