

The Senate of Michigan Technological University

PROPOSAL 8-67

POLICY ON FINAL EXAMINATIONS FOR SENIORS

NOW THEREFORE BE IT RESOLVED that the Committee recommends that the Senate of Michigan Technological University recommend to the President of the University that the matter of final examinations for seniors in their last quarter of work be decided by the degree granting Department and the specific instructor involved in each course, the concurrence of both being necessary to support an excuse from taking a final examination.

Proposal Adopted by Senate: 21 February 1967
