## **PROPOSAL 1-74**

### **TEACHER EVALUATION**

A standing committee shall be created to encourage, assist, and advise departments on the development and use of teacher evaluation procedures. This committee shall consist of a number of faculty members selected by the Senate, students elected by the Student Council, and representation by the Administration in an ex-officio manner, acting as an agency to collect and disseminate current data on teacher evaluation materials and techniques and as a reviewing board in determining the evaluation procedure in teaching proficiency.

**Proposal Adopted by Senate: 31 October 1973**  
**No Administrative Action Required**
