

The Senate of Michigan Technological University

Superseded

PROPOSAL 11-72

LETTER GRADE "M"

To clarify a problem relating to uncertainties about the accuracy of a grade, the Senate recommends the creation of a new grade to be known as "M" and that it will be described in appropriate places, such as the University catalog, as follows:

M - See instructor for clarification of grade

Proposal Adopted by Senate: 24 May 1972
