

The Senate of Michigan Technological University

PROPOSAL 13-70

POLICY REGARDING LISTINGS OF DEPARTMENTAL COURSE OFFERINGS IN THE UNIVERSITY CATALOG

- I. Course offerings as listed in the University catalog for a given academic department shall include only those courses administered by that department.
- II. Course offerings as listed in the University catalog for a given academic department shall be identified by the assigned departmental code letters.
- III. If a department allows students to substitute a course from another department for one of its courses, it shall place such information in the catalog.
