

The Senate of Michigan Technological University

PROPOSAL 14-77

INSTITUTIONAL EVALUATION

The Michigan Technological University administration shall conduct annual evaluations of academic deans and department heads, which solicit faculty input, for the purpose of improving administrative performance.

Adopted by Senate: 4 May 1977

Presidential Action: "It is the intent of the University administration to conduct annual reviews with academic administrators. Therefore, I'll defer action on Proposal 14-77 until a thorough evaluation of the process has been made by the Academic Vice President. (memo dated 6-1-77).
