

The Senate of Michigan Technological University

PROPOSAL 2-72

AMERICAN INDIAN PROGRAMS

RESOLVED:

That in recognition of its responsibility to meet some of the needs of a nearby racial minority, Michigan Technological University sponsor a program which would include (a) a motivational seminar for American Indian youngsters who might benefit from a college or university experience, and a systematic follow-up with them, their parents, and their teachers; and (b) continuing education offerings at the Keweenaw Bay Indian Center.

Proposal Adopted by Senate: 19 January 1972

Accepted in Principle by Administration: 16 February 1972
