

The Senate of Michigan Technological University

PROPOSAL 3-72

ACADEMIC CREDIT FOR R.O.T.C.

The minimum number of credits for R.O.T.C. courses, as listed in the catalog by AR or AF numbers, which may be applied to a baccalaureate degree, shall be six (6). The individual faculties shall be responsible for selecting the courses and establishing the maximum number of credits for which baccalaureate credit will be granted. AR and AF courses which may be used for physical education requirements may be considered only to satisfy that requirement and are excluded from consideration under this policy.
