

The Senate of Michigan Technological University

PROPOSAL 9-77

AMENDMENT TO MID-TERM GRADE POLICY

Proposal 5-76 is hereby revoked. It is the intent of this proposal that all undergraduate students receive mid-term grades by postcard mailed by the Registrar. A grade of S will indicate satisfactory work; a grade of U will indicate unsatisfactory work; a grade of M will indicate no grade card was received from the instructor and that the student should see the instructor if he has any doubt.
