## Proposal 30-94

# Record of Course Drops

From the beginning of the fourth week through the end of the sixth week of a term, course drops will be indicated by a grade of W on a student's transcript. For the remainder of a term special late drops (also indicated by a W) will only be issued by the Dean of Students Office to correct errors in registration or events of catastrophic impact beyond a student's control, such as serious personal illness, serious accidents, emergency hospitalization, etc. A "W" means a course was dropped. There is no credit given and no grade points computed for a dropped course.
