

The University Senate of Michigan Technological University

PROPOSAL 3-96

DUE PROCESS

The Senate adopts the following:

1. All planned criticism of a person, persons, or committee presented in the Senate likely to result in policy change be put on the agenda.
2. Those to be criticized be informed two weeks in advance of the Senate meeting at which the matter is to be addressed.
3. A response to the criticism will also be on the same agenda.
4. Any votes resulting from the matter and involving policy changes will be delayed until the matter can first be taken back to constituents.
5. Any changes in policy will be applied prospectively only.

Rejected by Senate: September 27, 1995
