

The University Senate of Michigan Technological University

PROPOSAL 5-04

MASTER OF SCIENCE DEGREE IN MATHEMATICAL SCIENCES

The Senate approves the renaming of a degree program offered in the Department of Mathematical Sciences:

The current name of the degree is Master of Science in Mathematics. The name is to be changed to Master of Science in Mathematical Sciences. The new name more accurately describes the degree, and is consistent with the name of the doctoral program, Doctor of Philosophy in Mathematical Sciences.

Adopted by Senate: November 19, 2003

Approved by President: November 25, 2003
