Proposal 43-11
(Voting Units: Academic)

“Proposal to Eliminate Degree Program: M.S. in Engineering Physics”

Name of program: M.S. in Engineering Physics.

Final semester program was open for new admits: This is a degree from 1950 that has not been offered in many years so there are no admits and the program is currently in a shelved state.

Plan to complete all enrolled students and any returning students: There are no students currently enrolled.

Reason for Elimination: Cleaning up old degree program offerings. This program has been shelved for at least five years.

Financial Impact (if any) to the department and university: None.
