

Motion on Proposal 8-16 proposed by Saeid Nooshabadi at the Senate meeting on March 23, 2016

The Senate will send Proposal 8-16 as it is (with minor editorial changes for language and clarity) back to the Administration for approval.

The Senate will invite the Administration to propose any substantive changes that it deems required to enhance procedure 507.1.1 through the submission of a formal proposal to the Senate for its consideration as stipulated in the Senate Constitution (which is the Board of Trustee's policy).
