EVALUATION PROCEDURE FOR THE PRESIDENT

Senate Procedures 503.1.1

Regular evaluation of the President of Michigan Technological University by the faculty and staff can serve as the basis for encouraging open communication, healthy exchange of information, and a shared responsibility for the University's direction. This procedure allows for evaluation via a survey available to all Michigan Tech's regular full time and part-time non-student employees, to provide input and feedback to the President of the university. Senate recognizes that represented staff are not part of the Senate constituency (which comprises faculty and professional staff) so the inclusion of represented staff in the evaluation of the President will be subject to the approval and agreement of their representatives.

1. Evaluation Frequency and Format

The President will be evaluated every year.

The evaluation will be conducted using a web-based survey platform that will permit reasonable anonymity and confidentiality of the respondents' identities to remain confidential to the maximum extent possible. For example, the survey shall not record the computer identity (name, MAC address, IP address, etc). The Senate Administrative Policy Committee (APC) will consult with IT Services in the selection of the appropriate survey platform. The survey is will only be made available once to eligible respondents, once per respondent. Respondents will have a the choice of requesting for a paper copy of the survey from the Senate Office

To allow respondents to better evaluate the President against job objectives, The survey will include the official position description of the President, and a statement provided by the President detailing the current goals, achievements, and resource constraints associated with his or her work. Furthermore, the President may provide a URL to appear on the survey that can provide information (reports, additional web pages) relevant to evaluating the President's his/her work over the past year.

The questionnaire section will contain closed ended scale-based questions. measuring employee satisfaction and evaluation of the President and Prompts and spaces for a comments section will also be provided.

The committee designing the evaluation APC should aim to use a core set of questions every year, in order to provide better allow for year-by to -year comparisons on specific dimensions. Additional questions may be considered for inclusion in any year. Suggestions for additional or alternate questions can be put forward may be considered for inclusion in particular years by the committee on suggestion from to by may be made to the APC, by the President, senators, Senate constituents, or other stakeholders, but decisions about the inclusion and wording of questions is the responsibility of the APC. or the respondents.

The goal of this evaluation is to evaluate the effectiveness of provide feedback to the President regarding his or her effectiveness and the effectiveness and of his or her executive team, but It is not intended to provide direct evaluations about of the performance of specific or named members of the executive team.

A sample questionnaire can be obtained from the Senate Office.

2. Evaluation Procedures

The evaluation will be conducted during the spring semester and will be supervised by the APC Senate Administrative Policy Committee. The APC Senate Administrative Policy Committee, when appropriate, will seek the advice of experts in when designing of the instrument and conducting of the survey. The committee APC will prepare the survey instrument in the preceding fall semester.

In the fall semester, the committee APC will request from the President a current position description and a statement (see Section 1) to be submitted by the beginning of the spring semester.

The surveys will be distributed to respondents by the fifth week of spring semester, and will be open for response for approximately four weeks.

The survey will collect the employment status of the respondents, (eg: faculty, professional staff, ~~rep~~ union staff, etc).

The committee will use standard practices for data analysis and presentation. A summary of the descriptive results (frequencies and mean scores) and comments will be made in an oral report to the Senate by the end of spring semester. The committee will also prepare a written report. A draft of the written report will be given to the President and he/she will be invited to submit a brief statement in response. The written report and the response from the President will be posted on the Senate website ~~for~~ by the end of spring semester and it will remain on the website at least until the end of the next academic year. One copy of the report will be filed in the Senate office, and one copy will be forwarded to the Board of Trustees.
