

The University Senate of Michigan Technological University

Proposal 34-16

(Voting Units: Academic)

“Proposal to Shelve Certificate Program: Certificate in Hybrid Electric Drive Vehicle Engineering (CHEV)”

I. Name of Program: CERTIFICATE IN HYBRID ELECTRIC DRIVE ENGINEERING

Final semester program will be open for new admits: Summer 2016.

Plan to complete all enrolled students and any returning students: There are five (5) students currently enrolled. The students will be assisted in completion of the certificate by the student’s Academic Advisor. Course substitutions will be made if necessary.

II. Reason for Shelving:

Senate proposal 43-15 requires students seeking certificates to be post-degree students. As this certificate is intended for those who have not yet earned a bachelor’s degree it should be shelved

Financial Impact (if any) to the Department and University: None.
