

The University Senate of Michigan Technological University

Proposal 19-18

(Voting Units: Academic)

Class Starting Time

To harmonize start times of all meetings and class times at Michigan Tech and to prepare students for their working life, it is hereby proposed that:

Instead of starting 5 minutes after the hour, all classes at Michigan Tech will start on the hour or the half hour and be of the prescribed duration. For example, 1-hour classes will start on the hour and end 50 minutes later at 10 minutes until the next hour. This will take effect for the Fall 2018 semester.
