FROM: Michael Mullins
University Senate President
SUBJECT: Proposal 25-19
COPIES: Jacqueline E. Huntoon, Provost & Senior VP for Academic Affairs

At its meeting on February 20, 2019, the University Senate approved Proposal 25-19, "Proposal to Shelve Degree Program: Graduate Certificate in Nanotechnology". The Senate looks forward to approval of this proposal by the administration. Please keep me informed about the decision of the administration on this proposal and feel free to contact me if you have any questions.

The University Senate of Michigan Technological University

Proposal 25-18
(Voting Units: Academic)

**Proposal to Shelve Degree Program:
Graduate Certificate in Nanotechnology**

Submitted by
Graduate School and Multi-Scale Technologies Institute (MuSTI)
Contacts: John A. Jaszczak, Associate Director, MuSTI
Will Cantrell, Associate Dean, Graduate School

1. Full name of program to be shelved

Graduate Certificate in Nanotechnology GC1(IGCN)

2. Final term program will be open for new admits

Spring 2019

3. Plan to complete all enrolled and returning students

There are currently no students enrolled in the program.

4. Reason for shelving

Lack of student interest. Only one certificate has been awarded (in 2010).

5. Financial impact (if any) to the department and university

There are no known financial impacts to the Multi-Scale Technologies Institute or to the University.
