“Resolution on Forming a Senate ad hoc Committee on COVID-19 Preparedness”

Introduced by: The Senate Executive Committee

I. Resolution

The University Senate proposes to establish an Ad hoc Committee on COVID-19 Preparedness to initiate strategic planning, to recommend potential policies, procedures, and initiatives related to the pandemic on campus, and to ensure an effective means of liaising with the Administration, as well as other committees and groups committed to similar actions on campus. This committee will begin working in the immediately. It is expected that this committee will necessarily continue working into the 2020-2021 Senate term.
