

University Senate of Michigan Technological University
Proposal 3-23
(Voting Units: Academic)

Elimination of Shelved Programs

As the following programs have been shelved for at least 5 years (shelved AY 2017-18 or earlier), it is proposed that the following programs be formally eliminated per senate procedure 414.1.1.

1. List of programs to be eliminated: title (program code) (shelving proposal #):
 - a. BS, Operations and Systems Management (BOSM) (11-13)*
 - b. Concentration, Computer Science Secondary Ed (SCS4) (4-18)
 - c. Grad Cert, International Profile (ICIP) (11-18)
2. There are no enrolled students
3. Programs have been shelved for a minimum of five (5) years and pertinent deans support elimination.
4. There is no expected financial impact to the university.
5. Effective Fall 2023

* denotes programs that would need to be sent to the state (MASU) for approval.
