CITIZENSHIP

Canada, United Kingdom, United States permanent resident

PROFESSIONAL EXPERIENCE

2015-Present: Michigan Technological University (Department of Social Sciences, Houghton, Michigan)

- Associate Professor of Environmental and Energy Public Policy

2011-2015: Michigan Technological University (Department of Social Sciences, Houghton, Michigan)

- Assistant Professor of Environmental and Energy Public Policy

2008-2011: Natural Resources Canada, Canadian Forest Service (Climate Change Adaptation research group, Northern Forestry Centre, Edmonton, Alberta)

- Natural Resource Social Scientist

2006-2007: Alberta Federal Council & Treasury Board Secretariat of Canada (One year project assignment) (Canada Place, Edmonton, Alberta)

- Visiting Research Scientist
- Principal investigator of the Federal government regional policy capacity study

2003-2006: Natural Resources Canada, Canadian Forest Service (Policy, Programs, and Liaison group, Northern Forestry Centre, Edmonton, Alberta)

- Manitoba Programs, Policy and Liaison Manager
- Responsible for an annual budget of \$750,000-\$1.2 million

2001-2002 & 2005-2006: Canadian Climate Impacts and Adaptation Research Network (C-CIARN) (Edmonton, Alberta)

- Acting National Forest C-CIARN Coordinator

1998-2002: Natural Resources Canada, Canadian Forest Service (Forest Social Science group, Northern Forestry Centre, Edmonton, Alberta)

- Forest Social Science Researcher

1995-1998: Foothills Model Forest (Forest Social Science group, Northern Forestry Centre, Edmonton, Alberta)

- Forest Social Science Researcher

1994: University of Toronto (Faculty of Forestry, Toronto, Ontario)

- Research Assistant

1993-1994: Nova Scotia Department of Natural Resources (Policy and Economics Group, Halifax, Nova Scotia)

- Research Officer

1992-1993: Dalhousie University (Department of Political Science, Halifax Nova Scotia)

- Teaching Assistant (Undergraduate Methods and Statistics)

EDUCATION

2006: Ph.D. (Renewable Resources)

University of Alberta, Edmonton, Alberta

Candidacy Examination: Passed with distinction

Dissertation Supervisors: Bruce Dancik (Natural Resources) and Debra Davidson (Rural Economy)

Committee Members: Vic Adamowicz (Rural Economy), Naomi Krogman (Rural Economy), Paul Johnston (Political Science), Mike Meitner (External Examiner-University of British Columbia - Faculty of Forestry), Richard Stedman (The Pennsylvania State University - Natural Resources)

Prairie Adaptation Research Collaborative research grant (\$65,000). Co-PI with Davidson.

Dissertation: *Addressing Natural Resource Policy Complexities and Change*

1996: Master of Science (Forestry)

University of Toronto, Toronto, Ontario

Thesis Supervisor: Jagdish Nautiyal (Forestry)

Committee Members: Rod Carrow (Forestry), Evert Lindquist (Political Science)
Faculty of Forestry Graduate Student Award (\$10,000)

Thesis: *The Role of the Advocacy Coalition Framework in Understanding Forest Policy Changes: Two Case Studies of Alberta and Ontario*

1993: Master of Arts (Political Science)

Dalhousie University, Halifax, Nova Scotia

Thesis Supervisor: Robert Finbow (Political Science)

Committee Members: Jane Arscott (Political Science), Paul Brown (Public Administration)

Thesis: *The Failure of Nova Scotia's Petty Bourgeois Woodlot Owners to Mobilize as an Effective Class Formation: A Rational Choice Marxist Analysis*

1991: Honors Bachelor of Arts (Political Science and Economics)

Wilfrid Laurier University, Waterloo, Ontario

RESEARCH INTERESTS

Climate change adaptation, administration traditions, forestry issues, governance, theories of the state, oil sands development, policy capacity, political economy, policy design, policy failure, policy mechanisms, policy process frameworks, process tracing, regional government, risk perception, structural equation modeling (LISREL), and survey research.

TEACHING, GRADUATE SUPERVISION, AND MENTORING EXPERIENCE

Teaching

Fall 2018: Sabbatical leave

Summer 2018: SS3570 (*History of Canada*) (Online)

Winter 2018: SS2600 (*American Government and Politics*); SS5301 (*The Policy Process*) (Hybrid)

Fall 2017: SS3621 (*Introduction to Public Policy and Public Management*); SS3636 (*The Modern State and Governance*)

Summer 2017: (Track A 7 weeks): SS3570 (*History of Canada*) (Online)

Winter 2017: SS2600 (*American Government and Politics*); SS3579 (*History of Canada*)

Fall 2016: SS2635 (*Comparative Politics*); SS5301 (*The Policy Process*)

Winter 2016: SS2600 (*American Government and Politics*); SS3579 (*History of Canada*)

Fall 2015: SS2635 (*Comparative Politics*); SS600 (*American Government and Politics*)

Summer 2015 (Track B): HU6001 NVivo Workshop

Summer 2015 (Track A 7 weeks): SS600 (*American Government and Politics*); SS3579 (*History of Canada*) (Both online)

Winter 2014: SS2600 (*American Government and Politics*); SS3579 (*History of Canada*)

Fall 2014: SS2635* (*Comparative Politics*); SS5301 (*The Policy Process*)

Summer 2014 (Track A 7 weeks): SS600 (*American Government and Politics*); SS3579 (*History of Canada*) (Both online)

Winter 2013: SS600 (*American Government and Politics*); SS3579 (*History of Canada*)

Fall 2013: SS2600 (*American Government and Politics*); SS3900 (*Climate Change Adaptation*); SS5318 (*Public Sector Management*)

Summer 2013 (Track A 7 Weeks): SS3579 (*History of Canada*)(Online)

Winter 2013: SS5350* (*Environmental Policy Analysis*); SS4636 (*The Modern State*)

Fall 2012: UN2002 (*Institutions*); SS5318 (*Public Sector Management*)

Spring 2012: FW3310 (*Natural Resource Management Policy*); SS3410 (*World Resources and Development*)

Fall 2011: UN2002 (*Institutions*) (2 sections)

Winter 2008: ENCS 271 (*The Politics of Food and Natural Resources*)
Department of Renewable Resources, University of Alberta.

Winter 2003: Renewable Resources 432 (*Social Factors in Forest Management*) Department of Renewable Resources, University of Alberta

Winter 2002: Renewable Resources 432 (*Social Factors in Forest Management*), Department of Renewable Resources, University of Alberta

Graduate Student Supervision

Supervisor

Burns, Brent (Ph.D. Candidate) Environmental and Energy Policy. Expected Graduation: September, 2019.

LaFave, Robert (Ph.D. Student) Environmental and Energy Policy. Expected Graduation: September, 2019.

Rahman, Mehjabeen (M.S.) "Environmental and Energy Policy. Examining policy capacity initiatives within climate change frameworks in US and Canadian sectors using NVivo content analysis." Graduated: April, 2015.

Paterson, Tyler (M.S.) "Environmental and Energy Policy. Policy capacity in Alberta's Oil sands." Graduated: March, 2015

Yu, Angela (M.S.) Environmental and Energy Policy. "Pesky Pests of the Great Lakes State: Is Public Participation Influenced by Geographic Differences." Graduated: December, 2013.

External Examiner

Kerr, Gillian (Ph.D.) University of Calgary. "Market-Based Approaches for Environmental Governance: Exploring the Implementation Gap in Alberta" Graduated: June 2018.

Voits, Katharina (M.A.) Charles Darwin University, Faculty Law, Business, Education, and Arts. Graduated: September, 2012.

Longo, Justin (Ph.D.) University of Victoria, School of Public Administration. "Towards policy analysis 2.0." Graduated: November, 2012.

Committee Member

Burkett, Erin (Ph.D. Candidate) Environmental and Energy Policy. Expected Graduation, September 2020.

Ofori, Roland (Ph.D. Candidate) Environmental and Energy Policy. Expected Graduation, September 2020.

Lu, Hongmei (Ph.D. Student) Environmental and Energy Policy. Expected Graduation, September 2020.

Ford, Sophia (M.S. Student) Environmental and Energy Policy. Expected Graduation, September 2020.

Nguyen, Sun (M.S. Student) Environmental and Energy Policy. Expected

Graduation, September 2020.

Barnett, Brad (Ph.D.) Environmental and Energy Policy. "Addressing Policy Challenges to Woody Biopower Production: Acceptance, Biomass Certification and Limited Policy Support" Graduated: December 2018.

Smith, Miranda (M.S.) "Impacts of Policy Implementation on Wetlands in the Upper Great Lakes States." Environmental and Energy Policy. Graduated: March 2017.

Gagnon, Valoree (Ph.D.) "Environmental justice for seven generations: An institutional ethnography of fish, risk, and health in the Lake Superior toxic riskscape." Environmental and Energy Policy. Graduated: April 2016.

Riehl, Jennifer (M.S.) Environmental and Energy Policy. "Genetic Variation, Local Adaptation and Population Structure in North American Red Oak Species" Graduated: May 2015

Li, Fei (M.S.) Environmental and Energy Policy "A Cost-Benefit Analysis of a 25% RPS in Michigan" Graduated: 2012

Tonisson, Tonis (M.S.) School of Forest Resources & Environmental Science "Understanding Michigan Nonindustrial Private Forest Landowners Attitudes and Knowledge about Forest Management" Graduated: December 2011.

CURRENT AND RECENT RESEARCH PROJECTS

- Section Lead (Government Costs): Independent Risk Analysis for the Straits of Mackinac. (Underway) (Principal Investigator, Guy Meadows) (Completed 2018) (\$765,000)
- Principal Investigator: "Policy Innovation Labs: New Frontiers for STEM-Policy Innovation? NSF Science of Science and Innovation Policy (SciSIP) (Submitted, October 2018) (\$46,000)
- Co-PI: "Social Life 'Labification': Solving Policy Problems with Scientific Instruments" U.S.-Israel Binational Science Foundation (Expected Submitted: November 2018) (\$156,000)
- Collaborator: Policy "Innovation Labs: The Evolution of Policy Capacity in Canadian Government" Social Sciences and Humanities Research Council (SSHRC) Insight Grant (Principal Investigators, Bryan Evans and Lori Turnbull) (Submitted, October 2018) (\$97,000)
- Collaborator: Policy Innovation Labs: From Evidence-Based Policy Making to Experimentation, SSHRC Insight Grant (Principal Investigator, Bryan Evans) (Not Funded, 2017)
- Collaborator: "Policy Innovation Labs: Assessing A Turn to Experimentation or Another Fad in Desperate Times? SSHRC Insight

- Grant” (Principal Investigator, Bryan Evans) (Not Funded, 2016)
- Principal Investigator: “Measuring Policy Capacity in the Great Lakes Fisheries Sector” Great Lakes Fishery Commission. (Not Funded, 2015)
- Collaborator: “From complex adaptive systems to complex adaptive practices: how complexity translates into public policy” SSHRC Insight Grant (Principal Investigator, Jeremy Rayner) (Not Funded, 2015)
- Collaborator: Policy Engagement at Multiple Levels of Governance: A Case Study of the Living Wage and Minimum Wage Policy. SSHRC Partnership Development Grants (Completed 2015) (Principal Investigator, Bryan Evans) (\$170,962).
- Book Co-editor: *Policy Work in Canada: Professional Practices and Analytical Capacities in Canada’s Policy Advisory System*. University of Toronto Press. (Published 2017).
- Principal Investigator: Beyond the Assessment: The Complexity of Climate Change Multi-Level Governance. Trans-boundary Climate Change Policy Challenges in North America’s Great Plains. Michigan Technological University Research Excellence Fund (Completed 2014) (\$8,000).
- Principal Investigator: Oil sands Reclamation. Canadian Embassy. Principal Investigator. Designing Optimal Integrated Oil Sands Reclamation Policies (Completed 2014) (\$12,000).
- Principal Investigator: Study of Policy Capacity in the Australian and Canadian Territories (Completed 2013).
- Collaborator: Social Sciences and Humanities Research Council (SSHRC) Canadian Environmental Issues Grant: “Policy Work in the Provinces: The ‘Production’ of Policy Analysis and Advice in Canada’s Provincial Public Services” (Completed 2013) (Principal Investigator, Bryan Evans) (\$132,999).
- Collaborator: Social Sciences and Humanities Research Council (SSHRC) Canadian Environmental Issues Grant: “Assessing Canada’s policy capacity for climate change adaptation: the dynamics of multi-level, multi-sectoral policy making” (Completed 2012) (Principal Investigator, Michael Howlett; \$204,500). Collaborator: SSHRC Canadian Environmental Issues - Research Development Initiatives: “New governance arrangements and sustainable resource management” (Completed 2012) (Principal investigator, Christopher Tollefson; \$68,556).
- Principal investigator: Comparative study of Western Canada-US climate change policies and institutions (Completed 2010) (\$10,000).
- Principal investigator: National Federal Regional Policy Capacity Study (in collaboration with the Federal Regional Councils and Treasury Board Secretariat) (Completed 2009) (\$45,000).

CONFERENCE AND PROFESSIONAL PRESENTATIONS

"Measuring Renewable Energy Policy Output and Feedbacks in the Americas" with E. Pischke and "Have European Applications of Policy Process Frameworks

Embraced Causal Mechanisms? An Exploratory Meta-Review" in the "Policy Change and Implementation" at the International Workshops on Public Policy at the University of Pittsburgh, (June 26-28, 2018).

"How does 'trust' help people make an impact on policy?" at the 6th Iowa State University Summer Symposium on Science Communication (June 7-9, 2018).

"Causal Mechanisms in Policy Process Research: Are We Taking Them Seriously? Should We?" at the 2nd Toronto Public Policy and Governance Workshop at the University of Toronto (March 16-17, 2018).

Beyond Adaptive Capacity: Policy Capacity and Climate Change Adaptation Assessments and Frameworks. Midwest Public Affairs Conference. Milwaukee, Wisconsin. July 9-11, 2015.

INOGov Scaling Up vs Scaling Down: Canada's Regional Adaptation Collaboratives and Climate Change Governance Experimentation. INOGov Workshop, Helsinki, Finland. March 10-13.

"Tales of Policy Estrangement: Non-governmental Policy Work and Capacity in Three Canadian Provinces." Annual Canadian Association of Programs in Public Administration (CAPPA) conference. Ryerson University, Toronto. May 27-28th, 2013.

"Oil Sands Reclamation: The Life and Death of a Policy Mix." Prairie Political Science Association Meeting, Saskatoon, Saskatchewan. September 21-22, 2012.

"After the Elections: Saskatchewan Energy Policy in a North American Context" Invited speaker at the Johnson-Shoyama Graduate School of Public Policy Outreach Symposium. November 14th, 2008.

"The Challenges of Federal Government Policy Capacity." Invited public lecture made to the Saskatchewan Institute of Public Policy, Regina, February 15th, 2008.

"Beyond the National Capital Region: Understanding Regional Federal Government Policy Capacity." Invited presentations made to the British Columbia Federal Regional Council (December 21st, 2007), the Saskatchewan Regional Federal Council (March 13th, 2008), and the Alberta Regional Federal Council (April 13th, 2008).

"Results from the Rock Mountain Section CIF member survey." Invited presentation made to the Rocky Mountain Canadian Institute of Forestry section. Edmonton, Alberta, November 6th, 2008.

"Results from the National First Nations Forestry Survey." Invited presentation

made at the First Nations Forestry Program - 7th Annual Regional Conference, Edmonton, Alberta, May 9th, 2007.

“Complexity and Policy Making Frameworks.” Presentation made at the Complexity, Science and Society conference, University of Liverpool, Liverpool, England, September 13th, 2005.

“The role of the First Nations Forestry Program in enhancing the capacity of First Nations communities.” Invited presentation 6th Regional First Nations Forestry Program Conference: Youth, partnerships, and careers in forestry conference, Winnipeg, Manitoba, March 16-18, 2005.

“Assessing the Potential for Policy Responses to Climate Change.” Presentation made at the Southwestern Political Science Association meetings, New Orleans, Louisiana, March 29th, 2002.

Wellstead, A. “Understanding the role of risk perception and attitudes in climate change policy making.” Presentation made at the Temperate Agroforestry and Mitigation roles in a changing physical and socio-economic climate. Seventh biennial conference on Agroforestry in North America and the sixth annual conference of the Plains and Prairie Forestry Association. Regina, Saskatchewan, August 12-15, 2001.

Wellstead, A. The role of visitor-related expenditure data in regional economic impact models. Presentation made at the 6th International Symposium on Society and Resource Management, Columbia, Missouri, June 12-16th, 1998.

SERVICE AND AWARDS

- Winner of the 2015 Sam Richardson Award for the best paper published in the 2015 volume of Australian Journal of Public Administration with Dean Carson for the paper “Government with a Cast of Dozens: Policy Capacity Risks and Policy Work in the Northern Territory.”
- Michigan Technological University Department of Social Sciences 2018 Environmental Policy Faculty (Assistant Professor) Search Committee (Chair)

- Michigan Technological University Department of Social Sciences 2014 Department Chair Search Committee (Chair)
- Michigan Technological University Department of Social Sciences 2012 Faculty (Assistant Professor) Search Committees (Geography and Sociology)
- Michigan Technological University Senate, Alternate Department Senator (2013-2015) (2018-Present)
- Michigan Technological University Senate, Department Senator Associate (2015-2017)
- Editor (since 2007) – Forestry Chronicle
- Associate Editor (2010-2015) – Society and Natural Resources
- Associate Editor (since 2013) – Policy Sciences
- Editorial Board Member (Since 2013) – Canadian Review of Political Science
- **Peer reviewed papers** for: Alternative Routes, Ambio, Canadian Political Science Review, Canadian Public Administration, Canadian Public Policy, Canadian Journal of Forest Research, Canadian Journal of Political Science, Central European Journal of Public Policy, Climatic Change, Environmental Innovation and Societal Transitions, Environmental Management, Environment & Planning C: Government & Policy, Environmental Politics, Environmental Science and Policy, Forests, European Policy Analysis, Forest Policy and Economics, Forestry Chronicle, Forests, Global Environmental Change, Governance, International Forestry Review, International Journal of Health Policy and Management, The International Journal of Water Governance, International Journal of Wildfire, Journal of Public Affairs Education, Journal of Comparative Policy Analysis, Journal of Tourism Research, Land Use Policy, Landscape and Urban Planning, Nature Ecology & Evolution, Palgrave Communications, Policy and Politics, Public Policy and Administration, Policy Sciences, Policy and Politics, Policy and Society, Policy Studies Journal, Population and Environment, and Regional Environmental Change Society and Natural Resource.
- Guest Editor, 2007 Special Issue on Forestry Policy for the Forestry Chronicle.
- 2004-2007 Board Member of the Manitoba Model Forest
- Manitoba Forestry Association Feasibility Assessment of Afforestation for Carbon Sequestration (FAACS) steering committee member
- 2004-2007 Manitoba Working Forestry Group member
- 2004-2007 Manitoba Model Forest Community Opportunities Program committee member
- 2004-2007 Member of the Manitoba First Nations Forestry Provincial-Territorial Management Committee
- 2004-2007 Member of the Manitoba Federal Regional Council (Alternate)
- 2004-2007 Member of the Alberta Federal Regional Council policy committee

- 2004-2007 Member of the Manitoba Federal Regional Council policy committee
- 2004-2007 Member of the Saskatchewan Federal Regional Council policy committee
- 1997-1998 Academic All-Canadian, (University of Alberta) Awarded to varsity athletes maintaining an average of at least eighty per cent while pursuing full-time studies
- 2003 Canadian Forest Service Merit Award (Outstanding contribution to social science research)
- 2005 Canadian Forest Service Merit Award (Team contribution to Forest 2020 program delivery)
