

NATIONAL HISTORY DAY

Educator Workshop

Kick off the school year with an engaging introduction to the **National History Day (NHD) program**, designed to give your students a head start on their research journey.

This after-school workshop will guide teachers through the NHD curriculum, project categories (including exhibits, documentaries, and websites), and strategies for integrating the annual historical theme into the classroom.

Attendees will gain actionable resources to support student success ahead of the **District-1 competition**, which is officially scheduled for **Saturday, March 13, 2027**, at **Michigan Tech's Memorial Union Building (MUB)**.

October 13, 2026
