Our Symbols

We have two mottos:
- Loving Leading Lasting
- Live with Purpose: a 10 lined statement that promotes the growth of well-rounded women

Sisterhood

“To cherish friendship with but a chosen few and to study the perfecting of those friendships.”

Our sisters have diverse interests and we have chosen Alpha Gamma Delta as our common ground. We have a range of studies from engineering, psychology majors, and everything in between. Over 75% of sisters are involved in other organizations and several hold leadership roles. We encourage participation in other organizations in all capacities on campus.

Our Chapter

Alpha Gamma Delta International Women’s Fraternity was established at Syracuse University in 1904 and came to Tech in 1979. Our chapter home is at 1015 College Ave.

One sister says, “I can’t begin to explain how grateful I am for the intelligent, genuine, quirky women that are the ladies of Alpha Gamma Delta. I’ve been so lucky to share so many wonderful experiences with them over the last few years and they truly hold a special place in my heart.”
Scholarship

“To gain understanding that wisdom may be vouchsafed to me.”

In Alpha Gamma Delta, we highly value scholarship. We have had the highest Sorority GPA 16 times over the last 8 years and had a chapter GPA of 3.66 for the Spring 2020 semester. We have won awards from our International Headquarters regarding our achievements including Honor Roll for Scholarship Progress award and the Rose Bowl for overall scholastic achievement.

A cumulative GPA of 2.5 is needed to join Alpha Gam. Members must also maintain a 2.5 GPA to stay in academic good standing. As a chapter we “Strive for Pi”, a semester GPA of 3.14, and receive dinner from an advisor for this achievement.

Philanthropy

“To welcome the opportunity of contributing to the world’s work in the community where I am placed because of the joy of service thereby bestowed and the talent of leadership multiplied.”

Alpha Gamma Delta’s philanthropy is focused on fighting hunger. There is a significant overlap between those who get help for food insecurities and those who suffer from diabetes. We are still making an impact on those with diabetes, just in a different way.

Alpha Gamma Delta chapters across the country have contributed more than 135,000 hours to fighting hunger in the 2018-2019 school year. At Michigan Tech we work with 31 Backpacks, Little Brothers Friends of the Elderly, HuskyFAN, and several other local and national charities. As a chapter, we contributed 397 service hours and over $17,300 dollars in the 2019-20 school year.

For any questions regarding our philanthropy, please contact Kyrstin Schmidt at kyrstins@mtu.edu.

Finance

Being a part of Alpha Gam is both a time & financial commitment. The cost for a new member is around $500, which includes dues, initiation fees, an official badge, and other obligations. Scholarships are available & payment plans can be customized and worked out with our VP-Finance.

Living in our beautiful chapter home on College Ave is a privilege. Most of our members live in house and it is the responsibility of all members to fill the house. If you have any questions, contact our Director of Property, Loryn Zeno at lrzeno@mtu.edu.
