

FAQs

Here's the important stuff:

Q: Is this a big financial burden?

A: Currently the dues for actives is \$200, and you can make a payment plan with the Treasurer if you need!

Q: What exactly do you do in a Sorority?

A: When you're a member of Theta Chi Epsilon, you're required to meet the service hour requirement each semester, usually between 10-15 hours. You are also expected to participate in service and philanthropy events hosted by the chapter, including Haunted Haus, Mr. MTU, Battle of the Bowls, and Roses for Education, just to name a few.

Q: What does it mean to be in a sisterhood?

A: To be a sister of Theta Chi Epsilon means you now have sisters to have a movie night or a girls night, and you have people you can go to when you're struggling academically or personally. Most importantly, you have a new family to call your own.
