Dear

A student in your class has provided appropriate documentation to Student Disability Services for accommodations of a disability in accordance with the Americans with Disabilities Act. The accommodations are based on the impacts of the student's disability. If you require clarification of these accommodations, please email me at sds@mtu.edu. The student is in the following course:

EC2001-0C (CRN 83987)

Please click the link below to view their approved accommodations:

For detailed descriptions of all accommodations, please go to:

Please note that this email is automatically generated upon the student's request. Students are advised to notify their instructors of accommodations at least 5 business days in advance of using their accommodations in the classroom. If you are receiving this email with fewer than 5 business days notice, you are encouraged, but not obligated, to meet the accommodation request.
