Now let’s **GET INVOLVED!**

But why?
Involvement is IMPORTANT

Our data proves that!
THE % OF STUDENTS THAT AGREE THEIR INVOLVEMENT WITH CAMPUS ACTIVITIES HAS PROVIDED THEM WITH SKILLS AND ABILITIES THEY WILL USE AFTER COLLEGE:

72% of undergraduate students
77% of graduate students
92% of fraternity & sorority life students

2017 NASPA Assessment and Knowledge Consortium & Benchmarking Survey
AS A RESULT OF PARTICIPATING IN CAMPUS ACTIVITIES:

- 78% of undergrads agree that their **SELF-CONFIDENCE** has increased.
- 70% of undergrads agree that their **TIME MANAGEMENT** has improved.
- 80% of undergrads agree that their **LEADERSHIP SKILLS** have improved.
- 87% of undergrads agree that their **COMMUNICATION SKILLS** have improved.
- 86% of undergrads agree that their **ABILITY TO WORK AS A TEAM** has improved.

So, where do we start?
Tech Traditions
Making connections and memories!
Welcome Week

Welcome Week is an on-campus experience that kick-starts every fall semester. This tradition is designed to complement the Orientation experience, and provide opportunities to enhance academic and personal success for Tech students. The week is jam-packed with social activities, food, entertainment, and much more!

KEWEENAW
DAY 2019
Keweenaw Day 2019

◎ Keweenaw day, or K-Day, is our Student Involvement Fair!
◎ It is held on the first Friday after Labor day every year.
◎ Classes are excused at noon and shuttles are available to take students to Centennial Park in Chassell.
◎ There students can enjoy music, food, and learn about our students orgs, meet new people, have tons of fun, and get lots of free stuff!
Late Night Programming

Late Night Programming is an initiative implemented by Student Leadership & Involvement with the help and support of student organizations, student leaders, and the student activity fee. The mission of late night programming is to make an alcohol-free environment available to students through quality late night entertainment during prime social times.

December 2: **Risky Business** (Event Planning & Risk Management)
January 6-11, 2020

The LeaderShape® Institute is an intensive week-long leadership development experience that is designed to help young leaders learn to “lead with integrity”.
The LeaderShape Institute

This highly interactive and energizing program provides the tools for individuals to:

◎ Act consistently with core ethical values, personal values, and convictions
◎ Develop and enrich relationships
◎ Respect the dignity and contribution of all people
◎ Believe in a healthy disregard for the impossible
◎ Produce extraordinary results
The LeaderShape Institute

Utilizing highly interactive program methods rather than classroom lectures, everyone is a teacher and everyone is a learner. At the LeaderShape Institute, participants create a LeaderShape Breakthrough Blueprint they can begin to implement as soon as they leave. The objective of each participant’s blueprint is to produce extraordinary results in their organization and their institution during the next nine to 12 months.

Applications available in October!

Make a Difference Day 2019

Make a Difference Day is the most encompassing national day of helping others—a celebration of neighbors helping neighbors. A day of giving back in which everyone can participate!

Michigan Tech will be hosting Make a Difference Day 2019 on October 19, 2019.

In 2018 (despite the snow!):
- 460 students participated
- 53 different service sites
- 69 Student Organizations/Residence Halls participated
Alternative Spring Break

Alternative Spring Break (ASB) exists to promote service learning and community building to Michigan Tech students through participation in experiential learning opportunities via an alternative break. Through ASB, students have the opportunity to develop into life-long active citizens in local, national and global communities through diverse, direct-service experiences dedicated to civic engagement.

In spring of 2019, we partnered with NetWork Volunteers and Long Way Home to send students to New Orleans, LA and Comalapa, Guatemala to work on sustainability initiatives!
Fraternities and sororities at Michigan Tech seek to redefine the Greek experience by advancing fraternal ideals through a commitment to our rituals. Our core values of scholarship, leadership, service, and community provide the foundation for our lifelong brotherhood and sisterhood, through which, we strive to strengthen members individually and as an organization.
